

Cummings Takes Spotlight On Draw Poker Question

By POLITICUS

Developments on the "draw poker front" have shaped up to the point where Lafayette and Orinda residents are keeping a close eye on the Board of Supervisors.

Particularly, they're watching H. L. "Jack" Cummings, supervisor from this district, who also is chairman of the county board.

Several weeks ago, despite the concerted protests against moves to establish poker parlor "social clubs" in Lafayette, the Board of Supervisors refused to outlaw such places in the unincorporated sections of Contra Costa. The board's reasoning was that it was a state matter, and also that it couldn't be prohibited in just one community.

This, of course, didn't set well with individuals and organizations — not only those in Lafayette but also in Orinda and elsewhere in Central Contra Costa County.

At a meeting at Lafayette Town Hall last week, leaders from five communities conferred with Cummings and Supervisor Ray Taylor on the draw poker problem. Specifically, the issue was: Can such places be controlled locally by the county?

Cummings showed those present a letter from District Attorney Francis W. Collins, stating that such local control, through licensing of poker parlors, could be effected. He promised to ask the district attorney's office to draw up a control ordinance.

At the same time, however, Cummings said he would not promise to vote for such an ordinance. "I can't commit myself until I see the ordinance," he said.

A NUMBER OF THE MEN PRESENT observed afterward that, despite his sensitiveness to popular opinion on the subject, Cummings obviously wasn't too keen on pressing the issue.

At an informal "bull session" at a private home immediately following the conference with Cummings, it was even asserted that Cummings, by implication, had more-or-less argued against efforts to crack down on poker parlors, and that he was, in effect, moved to make his promise by the weight of community sentiment. This impression, the "bull-sessioners" pointed out, was bolstered by some of the remarks Cummings had made, such as:

"If a vote were taken, we might all be surprised at the number of people in favor of poker parlors. There are a lot of people in Lafayette, and they might have different opinions."

And the supervisor's statement that Lafayette was the only area in the county that had objected to poker parlors;

And his observation that Lafayette couldn't expect him to support an ordinance that the rest of the county might be against.

Also, his remark that poker parlors operate around-the-clock in Jackson.

President Kirk Miles of the Orinda Association was quick to puncture the "Lafayette's-the-only-protestor" argument. He pointed out that his organization, by virtue of the Civic Affairs Committee's condemnation of poker clubs, was against poker parlors.

SOME OF THE QUESTIONS and answers asked here during the past week further reflect the general reaction to Cummings' statements.

For instance, as to who is against draw poker: When organizations like the Lafayette Improvement Association, Lafayette Chamber of Commerce and the churches express opposition to poker parlors, you've got a pretty big chunk of community opinion. The Orinda Association's action makes it the opinion of two communities.

When, in addition, the P. T. A. in Lafayette joins the protest, you have practically the entire town of Lafayette represented.

AS TO CUMMINGS' apparent reluctance to follow Lafayette's and Orinda's wishes in the matter, the question was asked at the "bull session," and has been asked since then:

"WHOM DOES JACK CUMMINGS REPRESENT ON THE BOARD OF SUPERVISORS?"

Cummings officially represents the Second Supervisorial District. The major portion of that district is Lafayette and Orinda with San Ramon Valley and Crockett included. (Cummings lives and works in Crockett.)

Observers repeatedly ask: "Is Cummings a representative-at-large on the Board of Supervisors or is he our representative?"

Orinda and Lafayette weren't the only communities represented at last week's conference. Gregory Gardens, Saranap and Pleasant Hill also had spokesmen there.

The big question, observers generally agree, is: Will Cummings support a control ordinance when it comes before the Board of Supervisors?

Dramateurs Hold Tryouts for Play

A second tryout for the Dramateurs winter production will be held at the Orinda Union School at 7:30 p.m. Tuesday evening.

The Dramateurs have chosen "The Curious Savage" by John Patrick which ran last season on Broadway with Lillian Gish. This play may not be familiar, but the author will be well remembered for the play and the moving picture, "The Hasty Heart."

Listed as a comedy in three acts and containing many humorous lines and amusing situations, this play, like "The Hasty Heart," has an underlying pathos and depth of emotion.

The cast consists of five men and six women. All of these are real parts. There are no mere walk-ons and the balance of weight is well distributed. The play is a change of pace from anything the group has presented and offers great possibilities to anyone interested in Little Theatre.

Abortion Case To Be Brought To Grand Jury

District Attorney Francis W. Collins has announced that Grand Jury action will be sought next Thursday in the case of two men charged with operating an abortion "mill" in Lafayette.

The two men are Dr. Martin Reininger, prominent Oakland physician, and Fred Raegan, private detective, at whose Pine Lane cottage the abortions are alleged to have been performed.

Collins said he would seek an indictment against both men on abortion charges.

Meanwhile, a conspiracy complaint is on file in Alameda County against Dr. Reininger and Raegan.

On Lost Valley Dr.

The number of residents in Lost Valley continues to grow.

Latest names to be added to the roster are Mr. and Mrs. L. M. Carroll and their son, Sheldon. They have recently moved into their new home at 87 Lost Valley Drive.

Civic Affairs Committee Votes Poker Fight Aid

Renewed support to Lafayette in the fight against draw poker parlors came from the Orinda Association this week.

At their meeting Monday night at Orinda Grammar School, the Civic Affairs Committee voted opposition to poker parlor "social clubs" and endorsed the move for a county ordinance to control such establishments by licensing.

IN THEIR OPPOSITION to poker clubs, the delegates repeated their suggestion of last month.

The action came after President Kirk Miles reported on the September 12 conference of area leaders with Supervisors Jack Cummings and Ray Taylor at Lafayette Town Hall. At that meeting, arranged by President W. B. Scarborough of the Lafayette Improvement Association, Cummings promised to ask the district attorney's office to draw up a control ordinance.

Attending this conference, in addition to Scarborough, Miles and the supervisors, were representatives of a number of organizations in Central Contra Costa County, including the Lafayette Chamber of Commerce, the Gregory Gardens Improvement Association, the Pleasant Hill Improvement Association, the Saranap Improvement Association and the Hidden Valley Improvement Association.

MILES REPORTED Monday night that although Cummings promised to request the drawing up of a control ordinance, he would not promise to vote for such a measure until he saw it.

"The question arose," Miles continued, "if a reasonable basis for refusing a license would be the opposition of the people in a community. Cummings said he didn't know."

Expect Over 600 At Pandora Affair Tomorrow Night

Committee members are all set to welcome over 600 guests at Pandora Chapter's Indian Summer Festival tomorrow night at the estate of Mr. and Mrs. Joseph Milton Long in Sleepy Hollow.

With the several acres of the grounds to be illumined by lights strung among the lovely oak trees, all indications point to a colorful and entertaining evening. The event, which will go to the Children's Home Society, will get under way at 6 p.m.

Cocktails will be served around the pool, and the barbecue area will be the focal point of the party—at least for the eating phase of it.

ENTERTAINMENT arranged for by Mrs. James H. Anderson and Kenneth St. Clair, will be in harmony with the spacious surroundings.

Specially costumed folk dancers—16 couples, comprising two squares—will perform during the evening under the direction of Mr. and Mrs. Robert Ross. Later Mr. Ross, who conducts an Adult Education folk dance class at Acalanes, will try to get guests to join in the folk dancing.

THE EIGHT-MEMBER Berkeley City Women's Club water ballet team will "do its stuff" at the Longs' pool. Three members of the team—Barbara Stark, Sally Pedder and Sally-Pat Friedman—are Orindans. The team features Phebe Cramer.

Mrs. Frank Hight, reservations chairman, reports 629 acceptances. Guests are coming from Orinda, Lafayette, San Francisco, Berkeley, Alameda and the Peninsula.

Mrs. John Barchfield is president of Pandora Chapter. The Children's Home Society is the oldest adoption agency in California, and finds foster homes for children regardless of race or creed.

Attends Convention

John A. Cronin of 16 Mira Monte Road in Orinda, a salesman in this area for Schenley Laboratories, Inc., was in Cincinnati recently attending his company's sixth annual national sales convention at the Hotel Sinton.

Bet School Was Never Like This! (Says Anthony)

School may be exciting for some youngsters, but to eight-year-old Anthony Seebeck, fourth grader at Orinda School, it's just a quiet sequel to the thrills of an auto ride with his dad. At least, that was the case last Friday.

Last Friday morning Henry Seebeck of 42 El Gavilan was driving his son to school. He glanced down for a moment, to move the boy's lunch box to one side.

Mr. Seebeck is a good driver, but the road, what with undulations caused by sewer installations wasn't so good—and the car swerved off the road and rolled down a steep hill, turning over completely twice and then landing right side up, on its wheels. That wasn't all. The car then coasted backward down the hill.

Mr. Seebeck applied the emergency brake and stopped the car.

Unhurt, Mr. Seebeck and Anthony stepped out, while a tow truck from Orinda Motors pulled the car up the hill. No extensive damage to the car was reported.

Mr. Seebeck gave Anthony one of those long, fatherly looks.

"Anthony," he said, "I think it's time you caught the school bus," Anthony agreed.

ORINDA SUN

Vol. IX, No. 27

Lafayette — Orinda, California — Friday, September 21, 1951

Ten Cents

HOLE-IN-ONE AND FUNDS FOR CHILDREN'S HOSPITAL of the East Bay are the objectives of these Orinda women as they are being coached by Pro Pat Patten at Orinda Country Club. The women are members of the Manzanita Branch of the hospital, and will staff the benefit "Hole-in-One" contest which the branch is staging tomorrow and Sunday at the Country Club. Left to right, Manzanita's Orinda members trying to follow Patten's advice are Mesdames Joseph Downs, Lawrence E. Collins, William C. Young and Robert J. Maddox.

Moraga Meadows Plans Picnic At Camp Caves

Camp Caves in Tilden Park will be the gathering spot for Moraga Meadows Association members Sunday when they hold their first annual picnic.

The day's outing from 9 a.m. to 7 p.m., will include games for the youngsters, baseball for adults, and special prizes.

The picnic is not limited to members. All residents of the area the Association represents are welcome. Each family is to bring its own lunch and coffee will be served. Pop will be on sale at cost.

Tom Mika is general chairman of the event, with Doris Chapman in charge of prizes; Frank Shirey, refreshments; Ray Stone, children's activities and Lil Mika, coffee.

The association's welcoming committee urges Moraga Meadows neighbors of newcomers, or newcomers themselves, to telephone and make themselves known to the group so their names may be added to the mailing list for the Association bulletin. Florence Manson, Orinda 3291, or Beverly Winthers, Orinda 4430, would appreciate receiving this information about new arrivals.

Fellowship Hall Rites Oct. 2nd

Dedication of the newly remodeled and enlarged Fellowship Hall of Orinda Community Church will go forward as planned at a luncheon of the Women's Guild October 2, it is announced by Mrs. R. P. Hafner, Guild president.

The kitchen unit is the project of the women's organization and is to be one of the best equipped church kitchens in the area.

Guests of Flenners

The A. C. Flenners of Acacia Drive entertained Mr. and Mrs. Walter Specht and daughter Patsy from Ventura recently. Mr. Specht was attending a conference of electronic engineers in San Francisco.

Progress Reported In Paving Area For Bus Shelter

Progress is being made on paving of the area adjacent to the Shell Oil Station at Orinda Crossroads where the bus shelter is to be erected.

The commission's only authority is to approve or disapprove subdivisions for lot sizes and design of subdivision, and to make recommendations on requests for setback and side yard modifications.

At request of delegates, Stoffel said he would ask Planning Technician Tom Heak to mail the forthcoming agenda of the commission each week to the Civic Affairs secretary, Joseph Downs.

Harold Rote and others mentioned the Inland Valley subdivision, where Robert Platt was reported to be "terracing" lots in a manner not in conformity with nearby areas.

Chairman Zach Montgomery suggested the committee ask the association board to write the Moraga Company, expressing displeasure at the type of homes Platt is erecting and at what Platt is doing to the land.

This was unanimously voted by the group, on motion of Kirk Miles, seconded by Clint Hallsted.

Exciting Weekend On the 'Sea Drift'

Ed and Marian Nelson enjoyed another weekend on the "Sea Drift."

They sailed from the Alameda port to Tiburon and then out through Golden Gate to the ocean, where winds and swells were just right for exciting sailing, with all hands aboard helping, which means

Stoffel Answers Zoning Questions At Civic Affairs

Questions about zoning problems came thick and fast at the Orinda Association's Civic Affairs Committee meeting Monday night at Orinda Grammar School, where County Planning Commissioner John Stoffel was present as a specially invited guest.

Stoffel informed the gathering that most of the Orinda area was zoned R-A, or half-acre.

The Planning Commission has no control over size of houses or type of architecture, Stoffel said. "The commission's only authority is to approve or disapprove subdivisions for lot sizes and design of subdivision, and to make recommendations on requests for setback and side yard modifications."

At request of delegates, Stoffel said he would ask Planning Technician Tom Heak to mail the forthcoming agenda of the commission each week to the Civic Affairs secretary, Joseph Downs.

Harold Rote and others mentioned the Inland Valley subdivision, where Robert Platt was reported to be "terracing" lots in a manner not in conformity with nearby areas.

Chairman Zach Montgomery suggested the committee ask the association board to write the Moraga Company, expressing displeasure at the type of homes Platt is erecting and at what Platt is doing to the land.

This was unanimously voted by the group, on motion of Kirk Miles, seconded by Clint Hallsted.

Home Dept. Holds First Fall Meet Wednesday

The Orinda Home Department will hold its first regular Fall meeting Wednesday morning at the home of Mrs. Ben Courant, 224 La Espiral.

"Gift suggestions and plans for shoppers to help with holiday planning" is the topic of the day, to be presented by project leaders.

Gallagher & Burk Gets Road Job

Gallagher and Burk Company of Oakland was awarded the contract Monday for improvements to Gloria-Jetta Boulevard, Hillcrest Drive, Daryl Drive and Overhill Road.

The Board of Supervisors gave the firm the job on its bid of \$16,924.95.

Work will be on Gloria-Jetta Boulevard to Martha Road, Hillcrest Drive to Martha Road, Daryl Drive and Overhill Road to Gloria-Jetta Boulevard.

Community Church Delays Dedication

The regular church service, held in the enlarged social hall, will take the place of chapel dedication ceremonies planned and announced for Sunday at the Community Church in Orinda, according to an announcement reluctantly made by the Building Committee and Board of Trustees Monday night.

Inability of builders and suppliers to turn over the chapel and classroom unit in a finished condition by the promised date is responsible for the postponement, they said.

Final date for the dedication will be set some time in the near future, probably within the next week.

'Arbor Day' Here Now Planned for Spring of 1952

To assure success of the venture and maximum community cooperation, the Civic Affairs Committee of the Orinda Association this week decided to plan for an "Orinda arbor day" for next March instead of October 14, the date originally scheduled.

Postponement was voted Monday night by Civic Affairs delegates meeting at Orinda Grammar School, after hearing Dr. Ralph Hall and Rudolf Grah advise such action.

Those two Orindans, both experts in nature study, pointed out that October would be a poor period for community-wide planting of trees and that enough time should be allowed to plan adequately for the event.

"THE IDEA OF an arbor day here is an excellent one," said Dr. Hall, veteran plant quarantine research man for the U. S. Department of Agriculture at the University of California, who also is assistant Boy Scout commissioner and explorer adviser for Post 300.

"But October isn't the best time to plant trees. Spring is better for bare-rooted stock."

These points were elaborated on by Grah, an extension forester for the University of California.

"I feel October is much too early in California to do any tree planting," Grah said. "Spring is better, for several reasons—people are more interested in planting then, and bare root stock is cheaper than potted stock, which would have to be used in the fall."

"SELECTION OF TREES to be planted is important. Different neighborhoods may want different types of trees. This requires planning."

"In California we have a State Arbor Day on March 7. We could use that date and have our own name for the occasion. The title 'Trees for Orinda' or something similar could be the name."

Civic Affairs Chairman Zach Montgomery agreed with Dr. Hall's and Grah's observations. So did Kirk Miles, Orinda Association president, and others present.

DR. HALL SAID he was certain the Explorer Scouts would take on "arbor day" activity as a project, said Civic Affairs Secretary Joseph Downs, who is troop committee chairman for Troop 207, said he was sure the Troop 207 scouts would be glad to do so, too.

Montgomery named Downs to serve as chairman of a planning committee for the Orinda "arbor day" next spring. Raymond Unsworth, Dr. Hall and Grah agreed to serve on the committee, which will be enlarged with representatives from neighborhood improvement clubs.

Holy Name Group Picnic on Sunday

The Holy Name Society of Santa Maria Church is sponsoring a family picnic this Sunday at the picnic grove at St. Mary's College. Games, dancing and other recreational activities are planned for the event, which will get under way at 1 p.m.

Coffee and dessert will be furnished. Participants are asked to bring other food, as well as utensils. Barbecue pits are available.

George Klement is president of the Holy Name Society. General chairman of the picnic is F. D. Courteen.

CALENDAR OF EVENTS

FRIDAY, SEPTEMBER 21

Joint meeting, Shipmates, Clippers and Seafarers Clubs, new social, Orinda Community Church, 8 p.m.

Football—Acalanes Varsity vs. Alhambra, at Alhambra, 8 p.m.

Walnut Festival, Walnut Creek.

SATURDAY, SEPTEMBER 22

Pandora Chapter, Children's Home Society, Indian Summer Festival, home of Mr. and Mrs. Joseph Milton Long, Sleepy Hollow, 6 p.m.

Walnut Festival, Walnut Creek.

Manzanita Branch, Children's Hospital of the East Bay, Hole-in-One Contest, eighth hole, Orinda Country Club, 2 to 4 p.m.

SUNDAY, SEPTEMBER 23

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches.

Masses at Santa Maria 7, 8, 9, 10:30 and 12:15.

Pilgrim Fellowship, Orinda Community Church, 7 p.m.

"Operation Houseparty" for soldiers from Camp Stoneman Hospital, at Orindans' homes, then picnic supper at Seven Oaks Circle estate of T. M. Harpers.

Moraga Meadows Association, first annual picnic, The Caves, Tilden Park, 10 a.m. on.

Walnut Festival, Walnut Creek.

Manzanita Branch, Children's Hospital of the East Bay, Hole-in-One Contest, eighth hole, Orinda Country Club, 2 to 4 p.m.

Holy Name Society of Santa Maria Church, family picnic, St. Mary's grove, 1 p.m. on.

MONDAY, SEPTEMBER 24

Orinda Association, Board of Directors, Orinda Grammar School, 7:30 p.m.

Boy Scout Troop 200, Court of Honor and Tenderfoot Investiture, Scout Hut, 7:30 p.m.

Mt. Diablo Men's Garden Club,

State OK's Plans For New School In Sleepy Hollow

Preliminary architectural plans for the first portion of the projected new grammar school in Sleepy Hollow, at the west end of Washington Lane, have been approved by the Division of School House Planning of the State Department of Education. It was announced this week by Superintendent of Schools Joseph L. Sheaff.

The plans, drawn by Architect Jack Buchter, are for six classrooms, a kindergarten room and administration space, and for a playground. The administration space would include an office, a teachers' room, a nurse's room and a storeroom.

Buchter is now going ahead with further development of the plans, Sheaff reported.

Sheaff said he conferred on Tuesday with Phil Wagner, land agent for the East Bay Municipal Utility District, regarding location of a future road at the 14-acre Sleepy Hollow site.

El Toyonal Gets School Bus Run For 57 Children

Bus service for 57 youngsters in the Upper El Toyonal section going to Orinda School was started on Wednesday, Superintendent of Schools Joseph L. Sheaff announced this week.

Resumption of service followed a meeting of some 50 persons at a meeting with the Acalanes District Transportation Committee in Orinda School auditorium Monday night.

At this meeting, conducted by William Freeman, committee chairman, it was explained that the county had repaired and improved two bad spots—the De Laveaga corner and the El Raton corner. However, it was stated that the committee still felt future use was not a certainty, since the county could not guarantee any lasting effect of the black top used.

Widening, fill and drain ditches were the improvements effected by the county.

After a round-table discussion, the parents, representing 35 families, went into a huddle and then said they wanted the bus service. The transportation committee agreed to start the service.

Ritchie Smith of Orinda and C. B. Neumann of Lafayette, the other two members of the committee, were present, as were Acalanes District Superintendent Neil M. Parsons, Sheaff, Mickey Dulcich, transportation coordinator, and Ross Reagan, committee secretary.

Except for a meeting in the form of a dessert luncheon at the home of Mrs. Eugene Shurtleff, 570 Miner Road, next Friday at 1 o'clock. They expect to welcome many new members as well as members who have been vacationing. At the short business meeting, heads of committees will make reports on their various activities this fall, including the recently formed Church School, the Young Peoples Fellowship, new appointments for the altar and the progress of the Building Committee.

A speaker from the University of California will talk on religious art. Mrs. William Sheppard heads the Dessert Committee for this affair. Working under her are Mesdames Frank H. Brush, Ernest Kahl, Clinton DeWitt, Jr., A. W. Clement, Jr. and George F. Goerl.

Auxiliary Plans Open Meeting

The Women's Auxiliary of St. Stephen's Orinda is having its first general open meeting in the form of a dessert luncheon at the home of Mrs. Eugene Shurtleff, 570 Miner Road, next Friday at 1 o'clock. They expect to welcome many new members as well as members who have been vacationing. At the short business meeting, heads of committees will make reports on their various activities this fall, including the recently formed Church School, the Young Peoples Fellowship, new appointments for the altar and the progress of the Building Committee.

A speaker from the University of California will talk on religious art. Mrs. William Sheppard heads the Dessert Committee for this affair. Working under her are Mesdames Frank H. Brush, Ernest Kahl, Clinton DeWitt, Jr., A. W. Clement, Jr. and George F. Goerl.

TYPISTS, STENOS

There are current employment opportunities for both typists and stenographers in the Contra Costa County Service, according to an announcement by Personnel Director F. E. Emery.

OIL TYPE AIR CLEANER

Failure to clean and re-oil an oil type automobile air cleaner when it becomes filled with dust and other foreign matter will result in low gasoline mileage and hard starting.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS' OPINION
To the Board of Directors of East Bay Municipal Utility District:
We have examined the respective balance sheets of the EAST BAY MUNICIPAL UTILITY DISTRICTS WATER SYSTEM and SPECIAL DISTRICT NO. 1 as of June 30, 1951, the related statement of the Water System's income, expenses, tax proceeds, and increase in taxpayers' equity, and the statement of receipts and disbursements of Special District No. 1 for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the accompanying balance sheets, statement of income, expenses, tax proceeds, and increase in taxpayers' equity, and statement of receipts and disbursements, present fairly the respective financial positions of the EAST BAY MUNICIPAL UTILITY DISTRICTS WATER SYSTEM and SPECIAL DISTRICT NO. 1 at June 30, 1951, and the results of the Water System's operations, and the changes in the available funds of Special District No. 1 for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

JOHN F. FORBES & COMPANY,
San Francisco, September 5, 1951.
O-134, Sept. 21, Orinda Sun.

Dream Come True: TV Set for 381

Martin H. Gudenzopf of Lafayette, Otto Ruffer of Walnut Creek and Wallace Larson of Orinda are among the members of Herick Memorial Hospital's "Club 381" who witnessed a dream come true recently.

That dream was the dedication of a television set for the enjoyment of all patients in Room 381 of the hospital.

FUNDS FOR THE purchase of the set were raised by club members, all former patients in Room 381. Authorization of purchase and final plans for the open house dedication were made on September 10 at a club meeting at the hospital in Berkeley.

Dedication at 2 p. m. Sunday was the culmination of the club's main goal since its founding in December, 1949.

ORIGIN OF THE CLUB goes back to the fall of 1949, when the morale of nine male patients in 381 received a boost after a doctor on Herick's staff arranged for them to see the California-Stanford football game on a borrowed television set.

The nine, recovering from injuries received in industrial accidents, worked out a scheme to cheer themselves up and to aid the convalescence of future orthopedic patients in the room. Forming a club, they made the purchase of a television set the first goal of the group.

Interest in the project grew with increased membership. Funds were raised through dues and contributions from well-wishers until the club's treasury topped \$200.

With the purchase of the set, the club will turn to a new goal to further aid in making convalescence enjoyable. Games, books and magazines are to be provided the room's patients.

Stork Club

ELIZABETH TOMME
Kenneth and Mary Elizabeth Tomme, former assistant pastor and choir director of Orinda Community Church, have their first baby, Elizabeth Ann, born August 18 at Houdo, Texas.

LINDA ATKINS
Linda Elleen, daughter of Leland and Martha Atkins, was born August 2 at Alta Bates Hospital, Berkeley. She weighed 6 1/2 pounds. She is much admired by her two-year-old brother, Paul.

WM. H. W. COUSLAND
Mr. and Mrs. W. O. Nichelmann of 7 La Cuesta proudly announce their second grandson this year was born September 11 to their son-in-law and daughter, Mr. and Mrs. Howard Cousland (Norma Nichelmann) in Stockton. The baby's name is William Howard Wayne Cousland. He weighed eight pounds, three ounces on arrival.

On July 2 a son was born to the Nichelmanns' son and daughter-in-law, Mr. and Mrs. W. R. Nichelmann (Nancy Harold) in Sacramento.

LEGAL NOTICE
NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382
NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of John J. Prentice for a use permit.

Said application is to modify provisions of Section 4 Subdivision G Subsection 5 of the provisions of Ordinance 382 as hereafter set forth, namely: to have 20 foot of back and 10 foot side yard in an R-A district.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: That parcel of land being Lot 27, Sleepy Hollow Unit No. 1, said parcel fronts approximately 260 feet on the east side of Tarry Lane, approximately 190 feet south of Van Tassel Lane.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, October 2, 1951, 7:30 P.M.
G. F. MCCORMICK, Secretary
Contra Costa County Planning Commission

Orinda Stay Follows Duty in Far East

Mr. and Mrs. W. H. Cochrane were visited recently by their daughter, Mrs. Dawn Trubschenck, her husband, Captain Lorin N. Trubschenck, and their four children.

The captain, a veteran of World War II, had just returned from three years' service in the South Pacific with base in Japan, where his family had been with him. Mrs. Trubschenck and the children flew back in April.

Both she and the captain are expert skiers and part of his assignment in Japan, when not shuttling supplies and ammunition to Korea, was to take charge of a ski lodge and rehabilitation center for servicemen in the mountains near Tokyo. He was also head of the ski school at Yosemite for several winters.

Captain Trubschenck's next assignment is Albuquerque, New Mexico.

Elizabeth Miles Will Read Play

Section 1 of the Women's Guild will meet at 12:30 next Thursday at the home of Mrs. A. W. Elkinton, 11 Honey Hill Road. Co-hostesses will be Mrs. W. H. Cochrane and Mrs. Glen Mason. The devotions will be led by Mrs. Elkinton.

Highlight of the program will be the reading of a play by Elizabeth Miles, a graduate in dramatic arts from Mills College. Her readings have been greatly enjoyed before by Orinda audiences.

Besides their usual sandwiches, members are asked to bring needles, thumbtacks and scissors so they can sew on some bazaar articles the chairman, Mrs. Lane Barden, would like them to work on while they listen to the reading.

Although California had fewer forest fires in 1950 than in 1949, hazardous weather conditions caused acreage losses to more than double.

Delphian Group Exchanges Ideas

Psychological patterns in world confusion were discussed by 18 Orinda women at the first Fall meeting of Delphian Society's new Chi Lambda chapter Monday morning at the Orinda Community Church.

Heading the group were Mrs. Robert J. Powell, president; Mrs. Wesley J. Smith, vice-president; and Mrs. Karl E. Fitch, secretary.

Seminar chairman, Mrs. Paul F. De Bruyn Kops, drew out the diverse opinions of the various members in the Delphian tradition of individual thought, making for an animated exchange of ideas, and portending many stimulating gatherings in the three-year program.

Participating were Mesdames: Walter R. Barnett, Lloyd Callaway, Randall Cook, Joseph A. DeMaria, M. Pierce Milton, Frank S. Pierce, Mervyn H. Porter, Gordon D. Pray, Kenneth K. Renwick, Robert D. Rodden, Alan Waddell, W. C. Witter, George Young, and Ida Zamloch.

Mrs. Zamloch was appointed seminar chairman for the next meeting to take place October 1 at the Community Church.

Mrs. Abbott Visits

Mrs. Idress Abbott spent ten days visiting friends in Morinda. She was driven to Ripon only 16 miles away to call on the Walter Nicklases who recently left Orinda to take up walnut ranching. She found them happy in their new home and full of plans. Jeff is getting acquainted with neighboring boys and enjoying the country life.

Gas and electricity are cheap in California!

The County Courthouse is set in a beautiful park in the center of Fresno.

P.G. and E. home rates are far below U.S. average!

Take FRESNO for example:
 Typical residential gas and electric bill
 In Fresno . . . \$8.28
 In all U.S. cities of similar size* . . . \$15.11
 *Average for all U.S. cities outside California with population from 85,000 to 95,000. Based on a typical use of 100 KWH and 100 therms of gas per month.

The cost of living has gone up 88% since 1940, but P.G. and E. domestic rates are actually lower than 11 years ago! Nothing else you buy costs so little — does so much. Let P.G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

How to make good telephone service even better . . .

You'll save time if you look up numbers before you call

Have you ever had the feeling that you're not quite sure of a familiar telephone number you're about to call? Even the number of a friend you call quite often? Your memory tells you it's 3198. Or is it 3189? The best way to settle it is to look up numbers before you call. You'll save time — and avoid the delay and embarrassment of having a stranger answer if your memory tricks you into getting an incorrect number.

Faster Long Distance service
 is yours, when you give the operator the out-of-town telephone number you want rather than just the name and address of the party you are calling. You'll not only save your time . . . but calling by number means better service for everyone, especially now when telephone lines are carrying so many urgent industrial and military calls.

St. Stephens Tells Sunday Schedule

St. Stephen's Episcopal Church in Orinda announces services for Sunday as follows:

9:45 a.m. Church School, Grades 1 upward, at the Church.

11:00 A.M. Morning Prayer and Sermon with the Rev. William Merrill Fay conducting the services.

11:00 A.M. Primary Department, Church School for kindergarten and pre-school children, ages 3 to 5 inclusive. This department will meet at the Oak Spring Pool Club House on Spring Road just above Brookwood Road. The Primary Department is scheduled to be dismissed at the same time as the adult services.

7:00 P.M. Young Peoples Fellowship for all young people of High School age. A dessert and social evening to "get acquainted" at the home of Mr. and Mrs. William H. Shipley, 4026 Los Arabis, Upper Happy Valley, Lafayette, from 7 to 10 p.m. All High School young people are cordially invited.

Christian Science Sermon - 'Matter'

The subject of the Christian Science Lesson-Sermon for Sunday, September 23, will be "Matter," with the Golden Text taken from Psalms: "My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever" (73:26).

A citation from the Bible in the first section of the sermon will be read from Galatians: "This I say then, Walk in the Spirit, and ye shall not fulfill the lust of the flesh" (5:16).

From the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following correlative passage will also be read: "Matter and Mind are opposites. One is contrary to the other in its very nature and essence; hence both cannot be real. If one is real, the other must be unreal. Only by understanding that there is but one power, — not two powers, matter and Mind, — are scientific and logical conclusions reached" (p. 270).

Hall Family Trip

Accompanying his parents, the Herbert E. Hall family of Piedmont and Santa Barbara, Mr. and Mrs. George Hall of 99 Sleepy Hollow Lane, with their daughters Wendy and Suzette, vacationed for two weeks at Mira Mar Beach in Southern California. The Orinda family returned home Saturday.

Rev. F. Morrow Conducts Sunday Worship Service

Rev. Fred Morrow, minister of Orinda Community Church, will conduct the worship at 11 a.m. Sunday with the choir assisting under the direction of Margaret Popovich, and with Daniel Popovich at the piano. C. Ray Fowler, youth assistant, is also to participate.

Everett D. Howe, superintendent of the Sunday church school, announced that departments will continue in their present quarters pending completion of the classroom building. The hour is 9:30.

Tanagers Donate Money to Patients

The Tanagers, Mt. Diablo Therapy Center, will resume their monthly meeting Wednesday at the home of Mrs. C. Ron Anderson, 133 El Toyonal, 8 p.m. The executive board will meet Monday at the home of Mrs. Berton Kohler, 6 Irving Lane.

In a letter directed to Mrs. T. O. Edwards, Mt. Diablo Therapy Center Board president, dated and accepted unanimously by the Board July 11, Mrs. Donald Anderson, Tanager President, presented the Center with \$165 earned by the group's Paper Drive. It was recommended to the Board that this money (averaging \$40 a month), be given to the Memorial Fund to subsidize non-paying patients. It is hoped that this will become a perpetual donation and will stimulate continued support from all Orinda residents.

The paper drive is facilitated by the new firehouse location, which will accept papers and magazines in addition to the original firehouse station. All papers and magazines collected in this manner, aid in continuing this fund for those needing financial assistance.

It was suggested that the second check for \$779.65, Tanager receipts from the combined May luncheon and fashion show with the Orinda Unit, be used to buy equipment needed by the Center, namely, a Galvanic-Laradic Machine (Nerve tracing machine), exercise bars, walkers, and mirrors. It was also recommended that the balance be used for further physical therapy equipment, according to the judgment of the purchasing committee, under the chairmanship of Mr. David Holstrom.

Carl Rose is the new executive director at the Center.

Appointment of Benjamin Draper as executive producer of "Science in Action" is announced by Dr. Robert C. Miller, director of the California Academy of Sciences, which produces the award-winning show.

About Our Happy Country Folk

By EDITH BOLMAN
INDIAN SUMMER NOW, for the Happy Country Folk.

The swimming pools look downright lonely during school hours but begin to perk up about 2 in the afternoon as the overheated young come charging in to splash and snort and throw off the unaccustomed cares of studies.

Mothers have a different look in their eyes, too! Sort of the "Thank-goodness-now-I-can-relax-until-time-to-cook-dinner" expression that they wear between the end of vacation and the start of all those activities that seem to keep mothers so busy until next June, when they begin to think "Oh, for those lazy summer days!"

At the Orinda Country Club pool some of the local habitants are back again after trips. The Ray Devins with Heide, Mary Louise and Priscilla had an interesting session this summer. They boarded a mail and supply boat, the "Princess Maquina," and went up the coast of Vancouver from Victoria and stopped at every "lighthouse, Indian village and logging camp" to swap mail for meat, vegetables, canned milk and such-like which the natives do not have.

In some areas the terrain was so wooded that the S.S. Princess Maquina couldn't make the grade to the dock, so the people came out to meet them in dug-out canoes. And that, gentle reader, is what is called an "anchor drop," i.e., you drop your anchor and stay put and we will paddle over to you. A little mud-scow to take care of all social amenities and exchange a few outgoing letters for a nice fresh carrot.

This was necessary because of the density of the growth—so much so in fact that the houses along the waterfront were built on pilings instead of clearing out the underbrush—no gardens—too much jungle.

Ray, just a fisherman at heart, went up the Campbell River and caught a 20-pound salmon. Marion said that children dropped lines at the water's edge and pulled out four or five-pound fish with no effort.

(And when I think how we were treated by that stubborn nine-inch trout! First the glad eye, then the nibble, then the scornful shimmer of its tail as off it went leaving our hook nude, discouraged and alone.)

Then home and off to Santa Cruz for their annual two weeks.

NEWCOMERS to the area, Mr. and Mrs. William Lindon, lately of Burlingame, have bought the H. E. Wyatt home on Kittiwake Road. They get around, too.

Mr. Lindon is with one of the airplane companies, so he makes frequent trips to Honolulu, Australia and the Orient. Being of a greedy turn of mind, we asked what he brought home. The last lot was Royal Worcester Bone China made in the original pattern in order to celebrate its 100th anniversary—and wonderful smoked cheese—from Australia.

The trip before, Mrs. Lindon herself was the cargo, so she had a nice little relaxing jaunt to Southern California.

ALSO SEEN RECENTLY at the Orinda swimming pool, flat on her stomach on the lawn, was Mrs. Ritchie Smith. And why was she flat on her stomach on the lawn? She was flat on her stomach on the lawn because it is easier to study maps that way.

The map was for the purpose of helping Mrs. Smith decide who was to work on the forthcoming Scout drive—so brace yourself—here they come—but remember it is for a good cause—so don't hide under the stove when they ring your bell.

Speaking of good causes, have we ever told you why we write this column? It is done for the benefit of the Children's Hospital of the East Bay, and we owe a note of appreciation to the editor and staff of the Orinda Sun for making it possible for us to do this so that the compensation therefrom can go directly to the hospital. From our viewpoint it is a rewarding experience, and we hope that the newspaper has an equal feeling of compensation for the good it is doing.

MRS. WILLIAM CALAHAN came from New Jersey to spend six social summer weeks in Orinda with her daughter Betty and son-in-law Ritchie Smith and grandchildren Debbie and Patsy. They spent many weekends commuting to their summer cottage on the slopes of Mt. Lassen near Red Bluff. Being hunters, they expect to get a buck on their next trip.

Speaking of deer—was one deer's face red recently, or was it brown, or what color is mud in the mountains anyway? Well, just an old custom, we hear tell, but one Mr. Ken-

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382
NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of A. R. Winans for a use permit. Said application is to modify provisions of Section 4 Subdivision F Subsection 5-6 of the provisions of Ordinance 382 as hereafter set forth, namely: 15 foot set back, 12 foot side yard.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: That parcel of land being lot 281, Sleepy Hollow Unit No. 3. Said parcel fronts approximately 145 feet on the north east side of Ridge Lane and approximately 160 feet south east of Normandy Lane.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, October 2, 1951, 7:30 P.M.
G. F. McCORMICK, Secretary
Contra Costa County Planning Commission
O-138, Orinda Sun, Sept. 21, 1951.

town — more of the same — next town, ditto.

The problem was becoming acute because the hour was late and there was nothing ahead but that big flat desert, so nothing to do but sleep in the car—hotel clothes and all—too late to get out the camping equipment.

Their next escapade was up the "River of No Return" in Idaho. Mrs. Fraser and Jacklyn decided to do a bit of fishing so, loaded with fishing gear, off they went. The scene was something out of a thriller-diller movie — forbidding rain clouds, a dead wildcat on the road, warnings about rattlesnakes and bears, an isolated spot with a ghastly name.

But fish they would and so—finally a nibble—wild excitement, pushing and pulling—the pole broke—but they landed the fish only to discover that it was an incredible squaw fish and had to be thrown back!

They scampered back to civilization in a hurry and that night were fortunate enough to get hotel accommodations.

ANNE LARKEY has been entertaining her Wellesley friends during the summer, showing them the glories of California, while brother Dick is holding down a job with Otis McAllister until such time as he receives his call into the Army because he is a second lieutenant in the reserves.

That is all.

Christian Science Talk Tomorrow

Ralph Castle, CS., of San Francisco will talk on "Christian Science: Healing by the Power of God" at the Orinda Theater at 2 p.m. tomorrow, under auspices of the First Church of Christ, Scientist, of Orinda.

The lecture is free to the public. The membership of the First Church of Christ, Scientist, Orinda, extends an invitation to all to attend.

Will you be killed tomorrow? Drive very carefully.

Children's Art Center to Start Its Third Year

Wednesday, October 10, begins the third year of activities for the Orinda Children's Art Center under the supervision of Mrs. Jack Fraser.

This is an Orinda sponsored group whose aim is to give an opportunity for free expression and a working knowledge of art materials to those children who are capable and interested.

These boys and girls are selected by the teachers in the Glorietta and Orinda Schools from the fourth through the seventh grades.

SPONSORS OF THIS group are mothers of the children and others interested in this activity. Expenses incurred for carrying on the project are defrayed by a sponsor fee, an annual money-making exhibit in May which is open to the public with an admission charge, and a slight fee asked from those children selected to participate in the art class.

Anyone in the community who is interested in children's art and who would like to be a sponsor should contact one of the members of the executive committee.

THOSE SERVING as officers of this committee for the year 1951-52 are:

Mrs. C. F. Borden, president; Mrs.

George H. Clifford, vice-president; committee are:
Mrs. R. F. Tharp, treasurer; Mrs. Mesdames Jack Fraser, N. S.
David Wallace, recording secretary; Dodge, Jr., Ray Devin, Stanley Al-
Mrs. William Gilman, corresponding jen, Paul Pollaczek, Jack Carlson,
secretary. Jack Buchter, T. M. Harter and Joseph Sheaff.

'Twas Great Day For These Three!

The "old school bell" has rung out again, signifying that summer vacation has come to a close, and "reading, writing and arithmetic" are now the theme until next year.

This year with the ringing of school bells three new students from Crest View Drive have joined the throng. They are Joan Dirickx, Candy Kolkhorst and Jeff Wood.

The most heartwarming part of that first day was when these little tykes stepped off the school bus and greeted their waiting mothers with a babble of all that went on that most cherished "first day in school."

Room Mothers to Meet With Faculty To Plan Room Meetings Tuesday

Room mothers and faculty members of the Orinda and Glorietta schools will meet to plan their room meetings at a tea to be held at 2 p.m. Tuesday at the home of Mrs. A. C. Bistman, 99 Valley Drive.

Room mothers will meet with Mrs. Robert Bigler, president of the Mothers Club and Joseph Sheaff, district superintendent, at 2 p.m., and all faculty members have been invited to attend the tea at 3 p.m.

Tea, Baby Shower Given at Lincolns

Honored with a tea and baby shower September 12 was Mrs. Leighton T. DeMaeyer, who was the recipient of many lovely gifts at the home of Mrs. Kermit Lincoln in Happy Valley.

CO-hostesses at the party were Mrs. Lincoln and Mrs. Frank Kerrigan of Oakland. Invited guests included Mesdames J. G. Pugh, Roy Cowden, Joseph Herko, James Tossion, Don Thompson, Carl Peterson, Robert Dixon, Jack Snow, John Sullivan, Bud Hauser. Among out of town guests was Mrs. Frank Spolter of San Francisco.

Mrs. DeMaeyer was also honored with a baby shower September 8, given by Mrs. Mac Lloyd at her home in Oakland. All guests were from that area.

Jacquelyn Glasser Recent Graduate of Army Finance School

Pvt. Jacquelyn Glasser of 52 Orchard Road recently was graduated from the Army Finance School at Fort Benjamin Harrison. It was announced in Washington by the Chief of Finance, Major General Bickford E. Sawyer.

Pvt. Glasser has been in the WACs for seven months. She attended Herald Business College in Oakland.

The basic finance procedures course was 14 weeks in length. The class consisted of enlisted men and WACs attending their first finance course. Studies included were military pay, travel pay, general accounting and practical application of these courses in the Model Offices at the Army Finance School.

Diamond K Sez...

DID YOU KNOW that Diamond K has plenty of very good used brick for sale at \$50 per thousand? This is just one of many bargains which are to be found at Diamond K.

Among other bargains this weekend is the sale on firewood. Our firewood is all select black mountain oak, well seasoned and completely dry. This week we are offering this firewood in a "Coupon" special which is designed to save you money.

Clip the Diamond K ad, elsewhere in this paper, and bring it to the store, any day this week. The ad is worth \$2 on the purchase price of a cord of firewood, \$1 on the purchase price of a half-cord, or 50c on a quarter-cord of wood. The coupon, must be presented or mailed and no phone orders.

THESE LITTLE OUT of season showers that we have been having lately should merely emphasize that the sooner you get your driveways in order the better off you will be. Order your road base and driveway gravel now and don't be caught in the rain. Along with driveways, get your drain tile in now as an ounce of prevention is worth a pound of cure.

IT MIGHT BE WELL to try some of our concrete stepping stones around the yard such as to the clothesline and garbage cans. We have them in a variety of colors at 30c per square foot.

Orioles Plan Tea, Rummage Sale

The Orinda Orioles met September 12 at the home of Mrs. Thomas Moore, 25 Valley View Drive.

After a pleasant social half hour and the serving of coffee and a dessert by the hostess, the meeting was called to order by the president, Mrs. Carl Wellington Smith.

Interesting reports showed that there was an increase in both new and associate membership, and a substantial balance in the treasury again after its last gift of \$900 to the Therapy Center. Plans are going forward for a tea October 24 honoring new active and associate members and for a Rummage Sale the last part of February.

The committee working on the tea are Mrs. Lance Barden, chairman, assisted by Mrs. Frank High, program chairman, Mrs. E. L. Bagnones, invitations, and Mesdames Roy Stuart, Robert Raskob, W. J. Gilman, Walter Friberg, and C. A. Winrod.

Mrs. Raskob, chairman of the Rummage Sale, would like all interested in this project for the benefit of the Child Therapy Center to bring their contributions of any worn or outgrown clothing and household articles of a "white elephant" nature to the office of Walter Friberg, 53 Orinda Highway, in the Village, at any time between now and February.

Mrs. Calvin Hagstrom of the Orioles is ready to take new or renewed subscriptions of any magazine, the publishers giving a very substantial percentage on each which she will turn in to the Orioles' treasury.

Donkeys, Trout Add To Vacation Fun Of Two Families

Fred and Mildred Twining and their congenial neighbors and friends, the Marches and their four children, Janice, Kenneth Twining and Carol and Donnie, spent a two-week vacation in Grouse Meadow in the Middle Fork of Kings River Canyon.

They drove in their car to Bishop Pass Summit and then, with two pack donkeys and a horse for the children to take turns in riding, they hiked 17 miles to Grouse Meadows, where they set up camp.

All, including three-year-old Kenneth, were successful fishermen, so they ate golden trout three times a day.

Mornings they were awakened by the howls of coyotes, and once, a bear entered the camp and licked up a bowl of muffin mix.

After leaving Grouse Meadow they spent a night at Dusie Basin.

Two-thirds of all traffic deaths happen at night, according to the California State Automobile Association. Drive slower at night, pay close attention to warning signs and signals and be sure your car lights are adjusted properly for night driving.

Authentic Touch Of Spain Added To 29th's Fiesta

An exquisite fan fashioned by the skilled hands of a Spanish Abaniquero will be but one of the unusual prizes offered guests at the Orinda Catholic Womens Club "Fiesta of Fashions" on Saturday, September 29, at St. Mary's College, Moraga.

Procured directly from Spain by Trans-World Airlines, through the courtesy of the Spanish Tourist Office of San Francisco, the graceful memento of life in the "Fiesta" country will become the possession of one of the guests gathered in the college's main dining room to enjoy luncheon, entertainment and a preview of all that is new in Fall fashions.

SCORES OF LOCAL and Bay Area merchants have contributed generously to compile a prize list representing the "Who's Who" of the merchandise world. These add stature to an already impressive showing of fashions scheduled by apparel specialists of Hill N' Dale and Lad N' Lass of Lafayette, La Rome Milliners and Edward Bull-winkle.

FOOD, FASHIONS and fun, plus the opportunity to become the owner of 30 choice awards—these are the factors that have caused September's 29th day to be circled in red on 500 calendars.

In an attempt to satisfy the constantly increasing ticket demand, Mrs. Roy Niosi, sales chairman, requests that anyone holding extra Luncheon-Fashion Show tickets telephone Orinda 8105 so that those on the waiting list may be accommodated.

Guild Board Plans Fall Activities

The Board of the General Guild of the Orinda Community Church met September 13 at the home of Mrs. Paul Booth, 67 Stanton Ave. Present were Mesdames Richard Hafner, president; Ralph Phelps, vice president; J. E. Almond, recording secretary; Charles Blue, corresponding secretary; Paul Booth, treasurer; G. Chester Brown, historian; John Ogden, Willis Branch, Donald Anderson, Peter Veitch, Ken Hauser, Robert Brown, Lance Barden, R. H. Usinger, Charles Pimentel and Ida Zamloch.

It was announced that the annual bazaar would be held in November and that it would feature the usual attractive apron and towel booth, a children's Fair, a food sale, a book sale, a rain coat and galoshes exchange, and a supper.

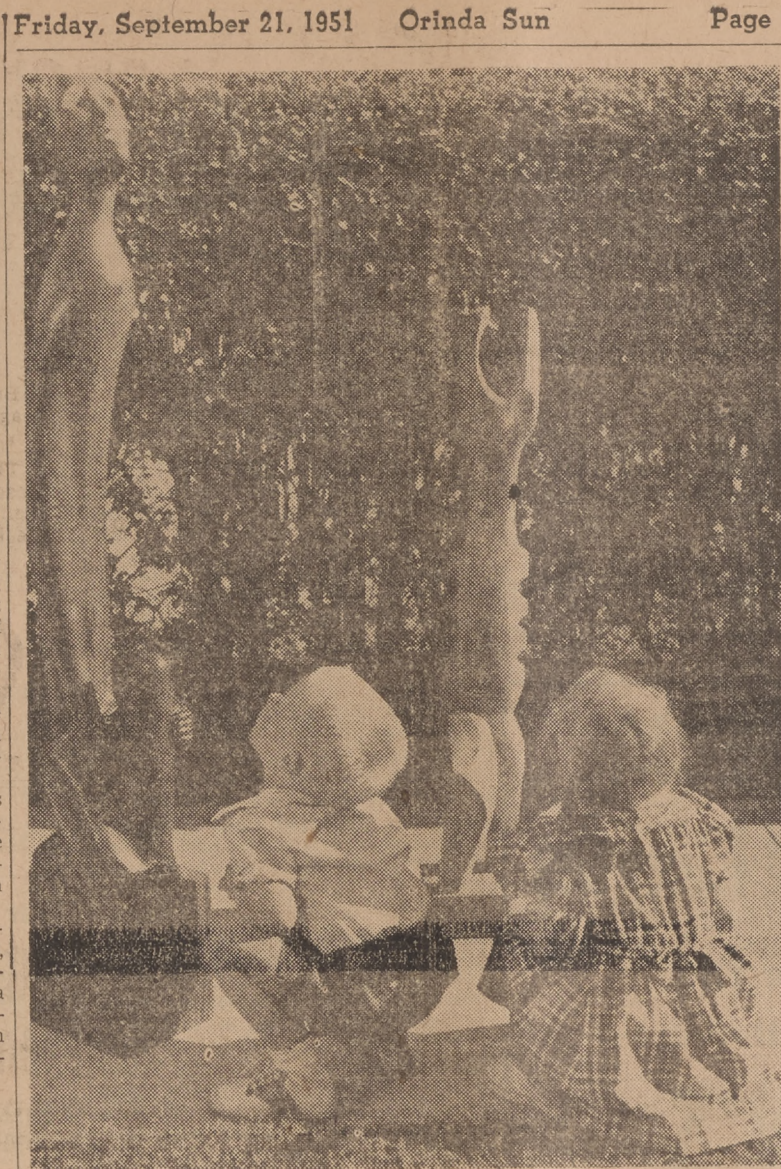

On October 2 the Guild will have a very interesting meeting, with all the past presidents will tell some of the events of their term of office. At this time the new kitchen will be dedicated. This has been the Guild's biggest project for which it has already contributed \$2000 and expects to contribute \$1000 a year for three more years.

LEGAL NOTICE

NOTICE OF DISSOLUTION OF PARTNERSHIP

NOTICE IS HEREBY GIVEN that FRED C. VON GUENTHNER and MATTHEW W. RADONICH, sole partners of the partnership doing business under the firm name and style "Fred C. Von Guenther and Matthew W. Radonich," have dissolved said partnership effective September 21, 1951.

Dated: September 21, 1951.
FRED C. VON GUENTHNER
MATTHEW W. RADONICH
O-135, Orinda Sun, Sept. 21, 1951.

PUZZLED BUT FASCINATED are little Danny Connelly and Sharon Enright as they scan two pieces of sculpture now on display at the Walnut Festival's Art in Action Show in the Walnut Creek City Park. The exhibit opens at 10 a. m. daily and will continue through Sunday. Paintings, photographs and various crafts are also on display at the Art Show.

GI Party Held at Carroll's; This Sunday - Orinda

"Operation Houseparty" took place in Lafayette instead of Walnut Creek last Sunday when tragedy, in the form of a fatal auto accident, struck within the group in Walnut Creek that had planned to entertain the boys from the Camp Stoneman Hospital for the day.

After much last-minute phoning, Tom Carroll of Carroll's Ranch Club offered the club facilities, and members of the club, headed by Mrs. Douglas Robertson of Solana Drive, pitched in and put on the party.

Assisting Mrs. Robertson were Messrs. and Mesdames L. C. Kennedy, John Doan, Clausenius and H. S. Ashukian, all of Hamlin Drive, Mr. and Mrs. John R. Jaques of Moraga Road, the W. M. Towers of Solana Drive and Mesdames Kuchinski of Rowe Place and Louis Fekete of Los Pinos Drive.

Mrs. Fekete wound up the party by leading the boys in square dancing and keeping things hopping right up until they had to be herded onto the bus due back at Stoneman.

Mrs. Theodore Bradley has planned for the hostesses for this Sunday's party in Orinda to give the boys their mid-day meal at their respective homes, then transport them to the Seven Oaks Circle estate of the T. M. Harkers, where they will be entertained and served a picnic supper in the evening.

HELPFUL HINTS

FROM MILTIE

One way you can light up your whole life with a single 100-watt bulb is to have it installed over your kitchen sink — if you don't already have a light there. We're not advertising the electrical business but in this modern day there's no sense in a woman washing dishes 365 nights a year in the dark!

This is a very practical suggestion. I know! Tootsie used to complain all the time about how dark the kitchen was, and she was mean and cranky all the time. So I finally made her wash the windows and now she is in a much better mood. However in case your husband isn't practical like that we have some very cute little lamp that could be attached over the sink or wherever you want them.

Next time you buy a chamois for car washing purposes, buy two! The chamois is the perfect tool for cleaning mirrors and the glass in china closet doors, glass in pictures and so forth.

Art Show To Provide Lecturing Guides

Due to popular demand, the Festival Art Show will open at 10 o'clock each morning of the three-day Festival.

Friday will be visiting day for school children — the elementary grades in the morning, and the High School classes in the early afternoon.

The show will be open to the public also during these hours and those who wish to study exhibits are urged to take advantage of the early opening.

An impressive group of lecturers has been arranged to conduct tours through the galleries at all sessions. Friday evening the lecturer will be Kit Barker of England, now exhibiting a one-man show at the Palace of the Legion of Honor in San Francisco. Barker has toured extensively through Europe as a lecturer and educator.

Saturday afternoon the tour will be conducted by Glen Wessels, associate professor of art at the University of California in Berkeley. Saturday evening the director will be Ernest Mundt, director of the California School of Fine Arts in San Francisco.

Sunday afternoon the program's lecturer will be Alexander Nepote, formerly dean of the faculty of California College of Arts and Crafts, and now a teacher at San Francisco State College, and the final session on Sunday evening will be conducted by Spencer Mackay, president of California College of Arts and Crafts.

During each evening of the Art Show arrangements have been made for awards and prizes to visitors. Among these is a water color by Michael Czaya; set of hand-woven placemats by Susan Campbell; silk-screen prints by Doris Clifford, Robert Raible, and Mildred Rackley; five pieces of hand-woven jewelry by Bob Winston; a hand-woven stole by Dale King; a painting by Hamilton Wolf; pottery by Nancy Clough, Rex Mason, Esther Fuller, Antonio Prieto, and Elena Netherby; weaving pieces by Alice Breuer and Betty Goodwin, and a dry-point etching by Samuel Chamberlain, donated by Forrest Engelhart of Alameda.

These articles will be on display at the show and will be awarded each evening. Most of them are the work of artists and craftsmen who are also exhibitors and workers in the show, where designing and creation of art items may be studied in the Art-in-Action sections.

The Allied Crafts exhibit is under the direction of Mrs. Dale King, of the Craft Shop in Lafayette and will feature demonstrations of silk-screen and block printing by Doris

Clifford of Orinda and Mildred Rackley of Lafayette. Working in leather will be Zena Morris of Concord, who has taken first and second prizes for her skill at the California State Fair. Displays of wood-carving and lapidary work, showing the cutting and polishing of stones and semi-precious gems, will also be shown.

Mrs. King is well-versed in all branches of Craft work. She taught in the Richmond Recreation Department and has won awards in design.

YOU LIKE IT OR WE PAY!

YOU feel you've really had a dinner when you settle back for a cigarette, a cup of coffee and Petite Fours... in this highly popular restaurant.

Here's a meal that not only gives you a huge amount of deep-down satisfaction—you actually get everything in the book when it comes to giving you a flock of various courses.

And when the check arrives—you'll think we made a mistake in your favor!

You start your dinner here with our big green-salad-bowl. The dressing is made with imported olive oil. Then—salami and tempting relishes. Deeply rich soup (and grated Italian cheese if you choose). Spaghetti and Raviolis—our secret recipe! Then comes your selection of 18 hard-to-beat entrees with fresh vegetables. For dessert—our homebaked Petite Fours. You can take 'em home if you like. (A dime extra for the carton).

You should stand here and listen to the compliments we get every day. But you are the final judge. It's up to you. If you **honestly** feel you are not happily satisfied with your dinner at Lucca—it's on the house!

County Schools Buying Serves as Model in Pacific

Contra Costa County's system of purchasing school supplies will serve as a model in the Pacific island territories of the United States, County Superintendent B. O. Wilson discloses.

Wilson has received a request from the Office of the High Commissioner, Trust Territory of the Pacific Islands, for copies of the Standard School Supply List developed in Contra Costa, for use in the islands.

Contra Costa Department of Education and the county purchasing agent cooperate in purchasing supplies for county schools, with a resultant saving in public funds through large-scale buying.

Tussing Treasurer of Pacific Vegetable Oil

B. T. Rocca, president of the Pacific Vegetable Oil Corporation, San Francisco, announced the appointment of Ford M. Tussing of Lafayette as company treasurer.

Tussing, former vice-president in charge of manufacturing, Pabco Products, Inc., has been identified with investment banking during the past two years.

MOORISH IDOLS

Moorish idols are back in Steinhart Aquarium of the California Academy of Sciences after an absence of several months. Thirty-four of these black-banded, graceful fish arrived from Hawaii, part of a shipment aboard the F. S. Bryant, Standard Oil tanker, reports Dr. Robert C. Miller, director of the academy.

Weimar Exhibit
Sales Net \$133

The exhibit at the County Fair of articles made by patients at the Weimar Tuberculosis Sanatorium resulted in sale of articles in the amount of \$133.30, according to Mrs. George Matey of Orinda, member of the Contra Costa Public Health Association, who was in charge.

This money is for the use of the patients to purchase more materials for making further items.

Weimar Sanatorium has four occupational therapy workers who teach the patients. As they begin the long progress toward recovery the physician allows them certain activities. This not only gives the patient an interest but also pocket money when the products can be sold.

Articles which were purchased included belts, leather wallets, pocketbooks, sequin jewelry, pins, earrings and knitted articles. Some were direct sales and others were ordered from samples on display.

Mrs. Matey was assisted by Mesdames John Parker, George Vurek and L. L. Farrar of Orinda, Miss Josephine Geiselhart and Mt. Patrick Davis of Concord and Miss Lupe Sanchez, Oakley.

St. Catherine School
Festival On Tonight

The third annual Fall Festival for the benefit of the Saint Catherine's of Siena Parish School Fund will get under way in Martinez tonight for three days, on the school grounds at Castro and Mellus Streets.

Monsignor William Burke, pastor, is serving as coordinator of the committees in charge of the festival, with Lewis B. Covasco, Jr., as general chairman. The festival will continue daily through Sunday, 7 p.m. to midnight.

ONE OF THE GAYEST AND MOST COLORFUL of Folk Dance Festivals unfolded on the grassy lawn of the Walnut Creek City Park last Sunday under the sponsorship of the Diablo Council of Folk and Square Dance Clubs. More than 60 dances filled the afternoon and evening program for the whirling feet of costumed dancers. Many will

return for exhibition dancing at the Walnut Festival this Sunday from 4:30 p. m. to 7 p. m. The photo at the left above is general scene of last Sunday's festival in which an estimated 500 dancers participated. At right above are seen Nancy and Bonnie Vail of Concord in action during the La Mesticia call. — Sun Photo by Ted Gurney

Grid Opener Tonight: Dons Battle Bulldogs

The 1951 edition of the Acalanes Dons' grid machine makes its debut tonight under the lights of Alhambra High's Field, with the kickoff slated for 8 o'clock.

On paper the Dons appear to have a slight edge over the Bulldogs, largely due to more returning lettermen and a weight advantage in both the forward wall and backfield. THREE WEEKS OF exacting practice have rounded both squads into good physical shape. As a result of drills and scrimmages, the Dons have emerged with a starting eleven on that, except for last-minute changes, will find the following lineup:

L. E. Roger Linn; L. T. Richard

Ting; L. G. Andy Monsen; C. John Bowron; R. G. Buzz Williams; R. T. Bob Borghesani; R. E. Art Siler; Q. Dick Fey; R. H. Ed Grueb; F. Eric Murray; L. H. Al Culp.

All starters are letter winners from last season, with Buzz Williams, dynamic guard, having made the number 1 All-County team.

Buzz will act as co-captain in the league opener, along with Al Culp, who will represent the backfield.

THE MARTINEZ ELEVEN is headed by All-County Center Bruno Pelligrini, who also acts in the capacity of linebacker.

Halfback Luperi is a speedster

who could go all the way if given half a chance, while Fullback Woodall is a 170-pound Junior who appears to be the power up the middle. THE GAME IS expected to attract a capacity crowd, as it is the only night game in the area.

All other league members remain idle until next week, except for Albany, which tangles with St. Mary's High this afternoon at Albany's new football stadium in a 3:30 contest.

The Alhambra-Acalanes tilt is not a league contest, but a practice game. Both elevens had schedule difficulties and solved the problem by meeting in the season's opener rather than have a bye.

Last year's contest was rained out twice and eventually cancelled due to heavy rains, so in a way tonight's game will be a makeup of last year's cancellation.

Acalanes Varsity Schedules Eight Football Games

The Acalanes Varsity schedule this year is as follows:
September 21, Alhambra, there, 8 p.m.
September 28, El Cerrito, here, 8 p.m.
October 12, Albany, there, 3:30 p.m.
October 26, John Swett, there, 3:30 p.m.
November 2, Antioch, here, 8 p.m.
November 9, Diablo, there, 8 p.m.
November 16, Pittsburg, here, 8 p.m.
November 21, Alhambra, here, 8 p.m.

Acalanes Grid Turnout Keeps Growing; Coaches, Too, Get Plenty of Workouts!

By ERWIN MATTSO

THE FOOTBALL TURNOUT at Acalanes High, like the school enrollment, continued to grow.

At this writing it is, on the basis of reports, the largest in Contra Costa County.

One hundred and thirty-six gridders had signed up by last Monday. This necessitated the ordering of more equipment.

All equipment is of good quality, with the protective gear being the best that is made.

FRESHMEN HAVE A group of their own under Coach Wilbur Twining, who gives them basic fundamentals and conditioning work as well as team instruction.

Those who appear to be ready are moved up to the Junior Varsity, where Coaches Charles Eaton and Ed Lahey take over.

This group takes part in a regular light-game schedule, playing on Thursday afternoons.

The next group is the Varsity, under the direction of Coaches Erwin Mattson and Bob Stevens.

Players who show to advantage are moved from the Junior Varsity to Varsity, while others may be moved from Varsity to Junior Varsity when the coaches feel that a player is not quite ready for top competition or that he will gain more from getting playing time with the J. V. eleven.

J. C. Evening Classes To Open Monday Night

Fred R. Abbott, president of the Board of Trustees of the Contra Costa Junior College District announces that the registration date and opening of evening adult classes will be next Monday at both campuses.

Training Operation By Civil Air Patrol

Operation "Shakedown" was held at Antioch Airport Sunday by the Civil Air Patrol, and proved to be one of the biggest events ever held in this area by the organization.

All squadrons located in Contra Costa County participated in the simulated search and rescue operations which were carried out successfully by the pilots and observers.

Commanding Officer Arnold C. Bork of Mt. Diablo Squadron urges all boys and girls between the ages of 13 and 21 to enlist in the Civil Air Patrol Cadet program.

Acalanes Parents 'Get Acquainted'

Acalanes Parents Club opened for the 1951-52 scholastic year Monday evening. A large turnout of parents filled the school cafeteria to capacity to hear Stanley Walgren, Acalanes principal, and his administrative staff describe the work of the major departments in the school.

The first meeting was held primarily as a "get-acquainted" program, to enable teachers and parents to get to know each other at the outset of the school year. The entire high school faculty was introduced to those parents present.

Parents Club officers for the school year were also introduced.

You Can Still Enter Classes At Adult Center

Registration is still open in many of the Acalanes Community Adult Program courses being offered this fall, according to George Houghton, Acalanes Adult Program director.

Included in those courses still open for registrants is a sales and sales promotion class taught Monday evenings, 7:30 to 9:30, by Ian McLaughlin, sales trained with California Packing Company for the past 17 years.

The course emphasizes selling for small business operators, both retail and wholesale.

Other courses still open include Art for the Layman, Wednesday, 8 to 10 p.m., taught by Silvea Fein, and Art Still Life, Wednesdays, 7 to 10 p.m., taught by Elaine James, an artist with considerable experience in both painting and sculpture.

Courses in Silk Screen Printing, Wednesdays, 7 to 10 p.m.; Knitting, which starts October 2; Pattern Making, Public Speaking, Sewing, Leathercraft and many other topics are still open for late registrants.

Barbara Merrill, interior decorator, or for many of the smart homes in Hollywood, including Charles Boyer's, is going to teach the course in interior decoration. This course will include many visits to some of the outstanding homes in our area. Class meets Tuesday night at Acalanes. Jean Hewitt, former fashion designer for one of the outstanding dress shops of Oakland, will teach the course in Pattern Design and Fitting. Each student in this class will make her own dress form.

New classes will be added if a minimum of 15 persons indicate a desire for a specific course and if instructors are available. Information on the Acalanes Adult Program can be secured by phoning the high school, Walnut Creek 6707, Monday through Thursday evenings, 7 to 10.

Furniture Preview To Benefit Hospital

A "country style" table setting for four in an informal decor for outdoor dining will be the contribution of Walnut Branch of the Children's Hospital of the East Bay to the "Live as Well as You Look" preview at Jackson Furniture Store in Oakland. The preview nights next Tuesday and Wednesday will benefit the hospital.

Ten branches are taking part in the benefit. Mrs. Standish Massie of Orinda is representing Walnut Branch on the committee developing the table settings facet of the show. Other features will be the exhibit of furniture and furnishings; textiles, fabrics and wallpaper, and fashions.

Olio as Well as 'Dirty Work' To Add Enjoyment for Audiences

As "Dirty Work Afoot" opens at the Town Hall on September 23 and 29 and continues each Saturday night in October, attention should be called not only to the melodrama feature but to the remarkable Olio that Directors Louise and Dan Welty have put together with blood, sweat, tears and local talent.

Star spots in the Olio numbers will be handled by Pat van Borna, Adrienne Sowers and Joe Castro, who do outstanding solo work.

PAT, WHO IS FROM San Luis Obispo, where she has had experience in this type of show, is making her first appearance with Playshop.

She sings, "Don't Go in the Lion's Cage Tonight, Mother," with deep feeling and in tight, a truly beautiful number.

ADRIENNE, WHOSE TOPNOTCH performances are well known to Playshop audiences, hits a new "high" in her song, "I Never Cried So Much in All My Life."

She also finds herself in a star spot in the rapidly moving "Scarface Dance" in which Ginny Huft and Sibyl Fisher also strive to interpret the mood of this unusual dance created by Louise Welty.

GINNY HAS BEEN a professional dancer, recently appearing with the Klub Kona revue. Since moving to Lafayette she has been an active Playshop member.

Sibyl, at present secretary of the

group, has also been an active member for a number of years.

JOE CASTRO, WHO PLAYS the hero in "Dirty Work Afoot," steps from his dramatic role to join the Olio group in several skits and to sing an aria that will surprise everyone.

Other members of the "melo" cast who do outstanding work in the Olio are Marilyn Hansen, Gloria Bording, Paul Hansen, George Van Meter and Leroy Sowers.

Gloria Trimble and Barbara Weil, both students of Acalanes and new attractions in the Playshop, dance, sing and add their beauty to a very complete and beautifully costumed "Fun" show.

Training Operation By Civil Air Patrol

Operation "Shakedown" was held at Antioch Airport Sunday by the Civil Air Patrol, and proved to be one of the biggest events ever held in this area by the organization.

All squadrons located in Contra Costa County participated in the simulated search and rescue operations which were carried out successfully by the pilots and observers.

At Candlelit Altar, Frances Stanley Becomes Bride of Robert I. Schroder

Carrying an 80-year-old Swedish prayer book, Frances Harriet Stanley of Lafayette exchanged nuptial vows with Robert I. Schroder of Walnut Creek, before the candlelit altar of St. Clement's Episcopal Church in Berkeley last Saturday evening, with the Rev. J. Henry Thomas officiating.

For her wedding Frances was gowned in white Chantilly lace fashioned over satin, with a court train, high neckline, and long, pointed sleeves. With this gown the bride wore a shoulder length veil of English net draped from a satin cloche headpiece embroidered with seed pearls.

ATTENDING HER SISTER as maid of honor was Phyllis Ann Stanley, who wore a ballerina length gown of orchid net over matching taffeta. The dress, made with a strapless bodice of purple velvet, was worn with a stole and headpiece of orchid veiling.

The four bridesmaids were dressed alike in gowns fashioned in the same pattern as that of the maid of honor, but their bodices were of forest green velvet and their skirts, stoles and headpieces of light green net.

Serving as bridesmaids were Mrs. Ralph Klindt of Los Gatos, the former Barbara Weber of Lafayette, Joan Irving of Berkeley, Betty Beck of Lafayette and Margaret Very of Walnut Creek.

John T. Schroder III of Walnut Creek served as best man for his brother, and the ushers were Paul Williamson of Sacramento, D. Budd Miller and John Hallgren of Walnut Creek and Richard Stanley of Lafayette, brother of the bride.

THE BRIDE WAS ESCORTED down the aisle by her father, M. Howard Stanley. Soloist for the ceremony was Mrs. Margaret Williamson of Sacramento. She sang "The Lord's Prayer" as the young couple knelt before the altar.

Mrs. M. Howard Stanley, mother of the bride, wore a gown of light grey chiffon over taffeta with an orchid corsage, while the groom's mother, Mrs. J. T. Schroder, was dressed in dusty rose lace with white accessories and wore a corsage of white begonias.

FOLLOWING THE CEREMONY, a garden reception for the newlyweds was held at the home of the groom's parents on Via Robles Road in Walnut Creek. The young couple received the guests before a fireplace banked in autumn blooms, while the patio and lawn were lighted by colorful lanterns and decorated with hanging baskets of fall flowers.

The bride is the daughter of Mr.

and Mrs. Matthew Howard Stanley of Moraga Boulevard and has been attending San Jose State College. She is a graduate of Acalanes High School and has also studied at the University of California, where she was a member of Alpha Gamma Delta Sorority and the Birch Branch of the Children's Hospital of the East Bay.

Mr. Schroder, also a graduate of Acalanes, received his degree from Fresno State College and was affiliated with Sigma Pi fraternity. He is the son of Mr. and Mrs. J. T. Schroder of Walnut Creek.

IN TRADITIONAL STYLE the bride, dressed in her going-away outfit of grey worsted flannel with black velvet accessories, tossed her bouquet to the unmarried girls present. The lovely spray was caught by Marilyn Ballard of Oakland.

The newlyweds are honeymooning in Southern California, and upon their return will make their home on San Miguel Drive in Walnut Creek, where Bob is in the insurance business with his father.

The marriage of this young couple was of special interest to folks who have lived here for many years, as both Frances and Bob were raised in the Lafayette-Walnut Creek area.

BOTH FAMILIES have resided in this region for the past 25 years and have served their communities in civic affairs. The bride's grandparents, the late Captain and Mrs. James C. Eagles, were pioneers of Lafayette and did much toward establishing a church in this community.

BEFORE THEIR WEDDING the young couple was extensively entertained by friends. Among the parties honoring the bride was a bathroom shower given by members of the Birch Branch of the Children's Hospital at the home of Miss Frances Akery of Piedmont, with Miss Joan Irving as hostess.

Mrs. Ralph Klindt of Los Gatos honored Miss Stanley at a personal shower at the home of Mrs. Carbon Weber of Monroe Street in Lafayette, while Betty Beck hosted a linen shower for the bride-to-be at the home of her parents, Captain and Mrs. E. F. Beck of Brook Street. The fall and winter were discussed and contributions for prizes for the Centennial Ball September 29 collected.

FRIENDS OF THE GROOM in the Walnut Creek Exchange Club honored him at a luncheon and shower at the home of Mrs. Arch Campbell in Alamo the evening of September 13.

SHOWING OFF Gasoline can be saved and tire and engine life prolonged by avoiding unnecessary rapid acceleration. Automobile designers have provided fast pick-up and get-away as a safety measure but there is no point gained in trying to show off by wasting gasoline, tires and brake lining at every stop and start.

Authentic Touch Of Spain Added To 29th's Fiesta

An exquisite fan fashioned by the skilled hands of a Spanish Abaniquero will be but one of the unusual prizes offered guests at the Orinda Catholic Womens Club "Fiesta of Fashions" on Saturday, September 29, at St. Mary's College, Moraga.

Procured directly from Spain by Trans-World Airlines, through the courtesy of the Spanish Tourist Office of San Francisco, the graceful memento of life in the "Fiesta" country will become the possession of one of the guests gathered in the college's main dining room to enjoy luncheon, entertainment and a preview of all that is new in Fall fashions.

SCORES OF LOCAL and Bay Area merchants have contributed generously to compile a prize list representing the "Who's-Who" of the merchandise world. These add stature to an already impressive showing of fashions scheduled by apparel specialists of Hill N' Dale and Lad N' Lass of Lafayette, La Rome Milliners and Edward Bullwinkel Furriers.

FOOD, FASHIONS and fun, plus the opportunity to become the owner of 30 choice awards—these are the factors that have caused September's 29th to be circled in red on 500 calendars.

In an attempt to satisfy the constantly increasing ticket demand, Mrs. Roy Niosi, sales chairman, requests that anyone holding extra Luncheon-Fashion Show tickets telephone Orinda 8105 so that those on the waiting list may be accommodated.

Mills Centennial Plans Discussed

Mt. Diablo Branch of the Mills Alumnae held a business meeting at the home of Mrs. C. T. Gortin, 1471 Sunnybrook Drive, Walnut Creek, on September 11. Plans for the fall and winter were discussed and contributions for prizes for the Centennial Ball September 29 collected.

The Mills College Centennial Ball, to be held at the Palace Hotel, San Francisco, for the benefit of the college will be attended by more than 1000 alumnae, friends, trustees and students and will launch a year-long series of festive events celebrating the college's 100th anniversary.

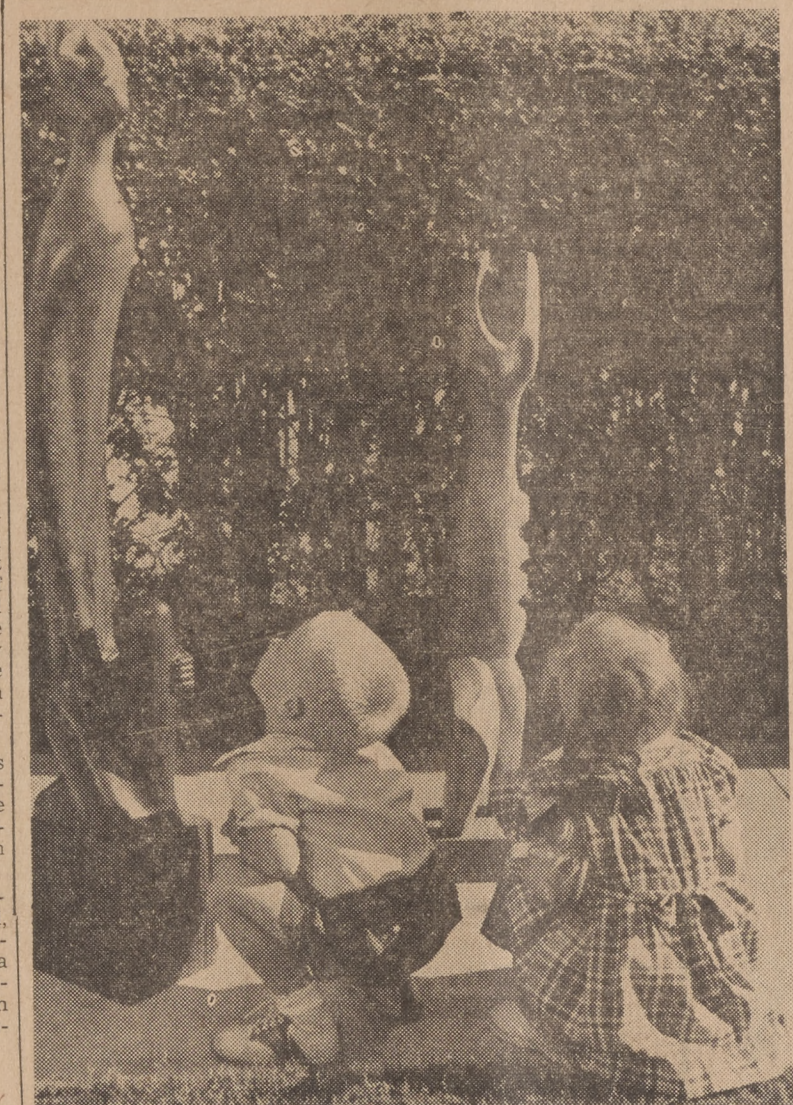

Among the heads of committees and their aides for the alumnae-sponsored event are: Tickets and invitations, Mrs. Herman Von Colditz, Lafayette; local ticket chairman, Mrs. Lawrence Green, Walnut Creek; assisting with decorations, Mrs. De Witt W. Krueger and Mrs. Peter Howard of Walnut Creek and Mrs. Blaker Herod of Walnut Creek.

Barbecue Follows Swimming Party

A swimming party at the home of Mr. and Mrs. Kenneth Kellers on Upper Happy Valley Road was followed by a barbecued chicken dinner at the McKissick Street home of Mr. and Mrs. Sanford Terry of Pleasant Hill in a recent annual get-together of a group of friends.

Present at the affairs were Messrs. and Mesdames Robert Bonner, Robert Nichol and Pete Peterson of Palo Alto, Herbert Beasley of San Mateo, Perc McPartland and Robert Harrison of San Francisco and Mr. and Mrs. Jack Lauder of Fairfax.

Buy standard brands at standard prices—shop at home.

PUZZLED BUT FASCINATED are little Danny Connelly and Sharon Enright as they scan two pieces of sculpture now on display at the Walnut Festival's Art in Action Show in the Walnut Creek City Park. The exhibit opens at 10 a. m. daily and will continue through Sunday. Paintings, photographs and various crafts are also on display at the Art Show.

GI Party Held at Carroll's; This Sunday - Orinda

"Operation Houseparty" took place in Lafayette instead of Walnut Creek last Sunday when tragedy, in the form of a fatal auto accident, struck within the group in Walnut Creek that had planned to entertain the boys from the Camp Stoneman Hospital for the day.

After much last-minute phoning, Tom Carroll of Carroll's Ranch Club offered the club facilities, and members of the club, headed by Mrs. Douglas Robertson of Solana Drive, pitched in and put on the party.

Assisting Mrs. Robertson were Messrs. and Mesdames L. C. Kennedy, John Doan, Clausenius and H. S. Ashukian, all of Hamlin Drive, Mr. and Mrs. John R. Jaques of Moraga Road, the W. M. Towers of Solana Drive and Mesdames K. chini of Rowe Place and Louis Fekete of Los Palos Drive.

Mrs. Fekete wound up the party by leading the boys in square dancing and keeping things hopping right up until they had to be herded onto the bus due back at Stoneman.

Mrs. Theodore Bradley has planned for the hostesses for this Sunday's party in Orinda to give the boys their mid-day meal at their respective homes, then transport them to the Seven Oaks Circle estate of the T. M. Harkers, where they will be entertained and served a picnic supper in the evening.

Student Body Being Formed At Las Lomas

Las Lomas High School students have set to work organizing a student government.

A representative council of 12 students has been elected to direct student affairs, and special committees have been elected to help students to look into the organization of a permanent student governing body, according to Leland Russell, school principal.

The committee on student government will gather student handbooks from different high schools and visit schools of comparable size to study and watch various student political bodies in action.

The council of students is also working on the selection of official school colors.

A noon recreation period is being organized by Robert Rowe, science instructor. The recreation period planned will provide noon mixer dances, films, hobby clubs and other activities for students.

Art Show To Provide Lecturing Guides

Due to popular demand, the Festival Art Show will open at 10 o'clock each morning of the three-day Festival.

Friday will be visiting day for school children — the elementary grades in the morning, and the High School classes in the early afternoon.

The show will be open to the public also during these hours and those who wish to study exhibits are urged to take advantage of the early opening.

An impressive group of lecturers has been arranged to conduct tours through the galleries at all sessions. Friday evening the lecturer will be Kit Barker of England, now exhibiting a one-man show at the Palace of the Legion of Honor in San Francisco. Barker has toured extensively through Europe as a lecturer and educator.

Saturday afternoon the tour will be conducted by Glen Wessels, associate professor of art at the University of California in Berkeley. Saturday evening the director will be Ernest Mundt, director of the California School of Fine Arts in San Francisco.

Sunday afternoon the program's lecturer will be Alexander Nepote, formerly dean of the faculty of California College of Arts and Crafts, and now a teacher at San Francisco State College, and the final session on Sunday evening will be conducted by Spencer Mackay, president of California College of Arts and Crafts.

During each evening of the Art Show arrangements have been made for awards and prizes to visitors. Among these is a water color by Michael Czaya; set of hand-woven placemats by Susan Campbell; silk-screen prints by Doris Clifford, Robert Raible, and Mildred Rackley; five pieces of hand-wrought jewelry by Bob Winston; a hand-woven stole by Dale King; a painting by Hamilton Wolf; pottery by Nancy Clough, Rex Mason, Esther Fuller, Antonio Prieto, and Elena Netherby; weaving pieces by Alice Breuer and Betty Goodwin, and a dry-point etching by Samuel Chamberlain, donated by Forrest Engelhart of Alamo.

These articles will be on display at the show and will be awarded each evening. Most of them are the work of artists and craftsmen who are also exhibitors and workers in the show, where designing and creation of art items may be studied in the Art-in-Action sections.

The Allied Crafts exhibit is under the direction of Mrs. Dale King, of the Craft Shop in Lafayette and will feature demonstrations of silk-screen and block printing by Doris

Clifford of Orinda and Mildred Rackley of Lafayette. Working in leather will be Zena Morris of Concord, who has taken first and second prizes for her skill at the California State Fair. Displays of wood-carving and lapidary work, showing

the cutting and polishing of stones and semi-precious gems, will also be shown.

Mrs. King is well-versed in all branches of Craft work. She taught in the Richmond Recreation Department and has won awards in design.

Diamond K
Sez ...

DID YOU KNOW that Diamond K has plenty of very good used brick for sale at \$50 per thousand? This is just one of many bargains which are to be found at Diamond K.

Among other bargains this weekend is the sale on firewood. Our firewood is all select black mountain oak, well seasoned and completely dry. This week we are offering this firewood in a "Coupon" special which is designed to save you money.

Clip the Diamond K ad. elsewhere in this paper, and bring it to the store, any day this week. The ad is worth \$2 on the purchase price of a cord of firewood, \$1 on the purchase price of a half-cord, or 50c on a quarter-cord of wood. The coupon, must be presented or mailed and no phone orders.

THESE LITTLE OUT of season showers that we have been having lately should merely emphasize that the sooner you get your driveways in order the better off you will be. Order your road base and driveway gravel now and don't be caught in the rain. Along with driveways, get your draine in now as an ounce of prevention is worth a pound of cure.

IT MIGHT BE WELL to try some of our concrete stepping stones around the yard such as to the clothesline and garbage cans. We have them in a variety of colors at 30c per square foot.

HELPFUL HINTS

FROM MILTIE

One way you can light up your whole life with a single 100-watt bulb is to have it installed over your kitchen sink — if you don't already have a light there. We're not advertising the electrical business but in this modern day there's no sense in a woman washing dishes 365 nights a year in the dark!

This is a very practical suggestion. I know Tootsie used to complain all the time about how dark the kitchen was, and she was mean and cranky all the time. So I finally made her wash the windows and now she is in a much better mood. However in case your husband isn't practical like that, we have some very cute little lamps that could be attached over the sink or wherever you want them.

Next time you buy a chamois for car washing purposes — buy two! The chamois is the perfect tool for cleaning mirrors and the glass in china closet doors, glass in pictures and so forth.

Recreation Center Hub of Activities

Visitors to the Walnut Festival September 21-23 will see three new buildings and other improvements in Walnut Creek's civic center, completed since last year at a cost of more than \$100,000.

The new Walnut Creek City Hall, site for which was dedicated during the 1950 Walnut Festival, was recently completed at a cost of \$57,500.

A Red Cross building costing \$24,000 will be occupied before the Festival takes place.

The Walnut Festival Recreation Center, appraised at \$45,000 and built with Walnut Festival profits and public contributions, has been in use for several months and will be the center of celebration activities this year.

SUCH CIVIC EXPANSION has caused Festival officials to set up an entirely new layout for the event this year.

Main entrance to the Festival grounds will be Camplin Avenue, off Ygnacio. Commercial exhibits, concessions, carnival rides and other features will be set up around the softball diamond, forming almost a complete circle. West Coast Shows, a professional carnival under contract with the Walnut Festival, will occupy the extreme east side of the grounds along Walnut Creek.

The Walnut Festival Art Show will be housed in the Walnut Festival Recreation Center and adjacent area, under a lease arrangement with the Festival Association.

A 40 by 70-foot tent, housing an agricultural exhibit featuring walnuts and other displays of the area, will be situated near the entrance to the grounds just east of Camplin Avenue.

COMMERCIAL EXHIBITS will be set up in a row along the creek bank between the new Red Cross building and the Recreation Center. An auto show is to be placed on the edge of the turf along the third base line of the softball diamond.

Free dancing and entertainment will be centered in the tennis courts, as in past years.

Concessions operated by local civic organizations will be allocated space along the edge of the turf near the Recreation Center.

Walnut Festival offices will be established in the Recreation Center entrance and Recreation Department office space.

Recreation Guide Issued by State

Central Coast County community groups planning to initiate recreation programs for servicemen are offered a guide in the form of a new publication issued by the State of California Recreation Commission.

Ralph Harris, county consultant in community recreation, stated that copies of "Off-Post Recreation for Servicemen and Women" may be obtained free of charge from the commission, 909 1/2 8th Street, Sacramento.

Groups of residents in Pittsburg, Antioch and Walnut Creek are considering the establishment of a recreation program for servicemen.

To Display 'Gun Fire,' 'Land Mines'

A realistic "attack" of a rifle platoon upon a machine gun emplacement, complete with rifle and machine gun fire, exploding "land mines" and overhead "artillery" bursts, will be a feature of Sunday activities at the Walnut Festival.

The mock attack will be staged at 8 p. m. by personnel of Company C, 159th Infantry, California National Guard, of Walnut Creek, which won the Adjutant General's trophy as "best" in the regiment at summer training camp recently.

THE DISPLAY WILL bring to Walnut Festival visitors an idea of the training which the guard unit undergoes during regular weekly meetings and summer training program.

Safety precautions are being taken to insure against mishaps. Blank ammunition, aerial fireworks will be used to add realism.

A PLATOON under the command of Second Lieutenant Kenneth Thomas will be the offensive team, and four-man machine-gun squad commanded by Sergeant First Class George Cox will resist the "attack."

The "battle" will take place on the softball turf in the center of the Festival grounds under overall direction of Second Lieutenant Richard Holmes, who will describe and explain the attack over a loud speaker system.

Here Is Where You Should Turn in Festival Tickets

A continuous ticket counting operation will get underway at 11 a. m. Friday (September 21) as the Festival Queen contest draws to a close, Jack Ready, contest chairman, announced today.

Ready is setting up headquarters upstairs in the Pylon Building, 1638 Main Street, where he will accept tickets from 11 a. m. to 5 p. m. After 5 p. m. tickets may be brought to the Festival office in the Recreation Center on the Festival grounds.

On Saturday the quarters in the Pylon Building will be open from 10 a. m. to 5 p. m., when the queen contest closes. After that time all tickets should be turned in at the Festival office on the Festival grounds.

Ready also issued an urgent call to turn in unsold books of tickets at the Festival office for reissue during the Festival itself.

Marine Band To Be in Parade

One of the highlights of this year's Walnut Festival will be the appearance of the colorful U. S. Marine Corps Band from the Department of the Pacific, San Francisco. The band is scheduled to march in the Parade Sunday which will climax three days of festivities.

County Schools Buying Serves as Model in Pacific

Contra Costa County's system of purchasing school supplies will serve as a model in the Pacific island territories of the United States, County Superintendent B. O. Wilson discloses.

Wilson has received a request from the Office of the High Commissioner, Trust Territory of the Pacific Islands, for copies of the Standard School Supply List developed in Contra Costa, for use in the islands.

Contra Costa Department of Education and the county purchasing agent cooperate in purchasing supplies for county schools, with a resultant saving in public funds through large-scale buying.

Tussing Treasurer of Pacific Vegetable Oil

B. T. Rocca, president of the Pacific Vegetable Oil Corporation, San Francisco, announced the appointment of Ford M. Tussing of Lafayette as company treasurer.

Tussing, former vice-president in charge of manufacturing, Pabco Products, Inc., has been identified with investment banking during the past two years.

MOORISH IDOLS

Moorish idols are back in Steinhart Aquarium of the California Academy of Sciences after an absence of several months. Thirty-four of these black-banded, graceful fish arrived from Hawaii, part of a shipment aboard the F. S. Bryant, Standard Oil tanker, reports Dr. Robert C. Miller, director of the academy.

Weimar Exhibit Sales Net \$133

The exhibit at the County Fair of articles made by patients at the Weimar Tuberculosis Sanatorium resulted in sale of articles in the amount of \$133.30, according to Mrs. George Matey of Orinda, member of the Contra Costa Public Health Association, who was in charge.

This money is for the use of the patients to purchase more materials for making further items.

Weimar Sanatorium has four occupational therapy workers who teach the patients. As they begin the long progress toward recovery the physician allows them certain activities. This not only gives the patient an interest but also pocket money when the products can be sold.

Articles which were purchased included belts, leather wallets, pocketbooks, sequin jewelry, pins, earrings and knitted articles. Some were direct sales and others were ordered from samples on display.

Mrs. Matey was assisted by Mesdames John Parker, George Vurek and L. L. Farrar of Orinda, Miss Josephine Geiselhart and Mt. Patrick Davis of Concord and Miss Lupe Sanchez, Oakley.

St. Catherine School Festival On Tonight

The third annual Fall Festival for the benefit of the Saint Catherine's of Siena Parish School Fund will get under way in Martinez tonight for three days, on the school grounds at Castro and Mellus Streets.

Monsignor William Burke, pastor, is serving as coordinator of the committees in charge of the festival, with Lewis B. Covasco, Jr., as general chairman. The festival will continue daily through Sunday, 7 p.m. to midnight.

READY REALTY

2007 MT. DIABLO BLVD. — WALNUT CREEK 7671

SERVING YOU SINCE '45

WALNUT CREEK ELECTRIC

2235 NORTH MAIN STREET — WALNUT CREEK 3429
Just at the Edge of Town Where Parking Is No Problem

Contra Costa's Oldest Chevrolet Dealer

REICHHOLD CHEVROLET CO.

MAIN STREET at EAST STREET — WALNUT CREEK 5581

Here's Third Pleasant Hill Report

Public Works

Planning and Zoning

STREETS AND SIDEWALKS — Responsibility for streets and sidewalks in Pleasant Hill rests with the owner having the right of way or title to the land over which the streets and sidewalks are constructed. The various types of roads can be classified according to State, County and by Other — Public right of way (other than state or county) and Private.

The State of California, as a condition to the transfer of land title to it, has the responsibility of construction and maintenance of its roads. This service is not only in the form of road surface maintenance, but also shoulder construction, road drainage, installation of storm drains, and the clearing of protruding tree branches, brush and debris along the roads.

THIS SERVICE exists in the Pleasant Hill area only on the road commencing at the city line of Walnut Creek and running north to the town of Pacheco, and from the Veterans' Memorial Monument toward Concord.

The level surface on this road reflects, in part, the relatively short time elapsed since acquisition of title by the state. Improvement of this road depends on the availability of funds. As the road exists now, it is an example of a good county road.

Of the remaining roads in the Pleasant Hill area, the County of Contra Costa maintains those that qualify under one of the following requirements:

1. HAVE BEEN dedicated to public use and have been constructed in accordance with specifications set up by the County Surveyor.

2. Have been constructed by the county as a matter of public service. This type of road construction is at the direction of the Board of Supervisors on advice from the County Surveyor over rights of way obtained by the county and financed for the most part by state gasoline tax allotments.

The funds to support this service come from the County General Fund; consequently, there are no special road districts. The road service as rendered by the county applies to the entire Pleasant Hill area.

THE PRESENT condition of the county roads in the Pleasant Hill area leaves much to be desired. Based on the condition of the roads, the rating of "inadequate" seems justified. On the basis of area coverage, this committee believes that the rating should be "adequate."

Roads in the third category—"other"—are short access roads over privately-owned land and are constructed and maintained by the owner according to his personal specifications. These roads constitute service to the owner and any person or persons whom he may designate.

The roads listed as rights of way are those that have been dedicated to public use by the owners of the land adjacent to them but have not been constructed according to specifications considered acceptable by the county and are not of sufficient importance to the public at large to warrant the county's obtaining the right of way and assuming responsibility for the road.

IN GENERAL, the owners of the land adjacent to these roads own also that portion of the road bounded by the center line of the road and the side lines of their lots extended to intersect the center line. The only variation to this is the relatively few cases in which the owner's land projects beyond or short of the center line of the road. That portion of the land lying in the road is assessed the same as the balance of the parcel, and taxes on it are paid by the owner. This condition of ownership also applies in most cases to title to land along county roads.

The responsibility for maintenance of these roads rests with the owners of the land. This maintenance includes road surface conditions, roadside trees and brush and debris on or along the road.

These roads can be loosely defined as community driveways providing access to the major travel routes; and since maintenance is provided by a comparatively few people, the level of service could very easily be considered inadequate. It is interesting to note that a high percentage of complaints on "county road maintenance" are made in reference to this type of road.

STREET LIGHTING — Installation and maintenance of street lighting is handled by the Pacific Gas and Electric Company. The service is initiated upon proper application to the Board of Supervisors by the required number of property owners in any given area.

Only district in Pleasant Hill with this service is the area known as Pleasant Hill Homesites, Unit 2 (Pleasant Hill Lighting District). Judging from comments of people living in this area and by the opinion of the Public Works Committee, the level of service here is unquestionably adequate.

Total cost of this service for the last fiscal year, according to the financial report of the County of Contra Costa, was \$657.75. This amount represents the initial cost and the operating expenses for only a portion of the year, since that was the year during which the service was instituted. Under these circumstances, then, the first tax rate set for this service was based on the above amount, \$657.75, plus the current year's operating expenses. This rate is \$0.553 per hundred dollars for a total assessed value, at that time amounting to \$285,895.

SEWAGE DISPOSAL — The rapid growth in population in recent years has seriously taxed the sewage disposing ability, or efficiency, of septic tanks and cesspools. This condition and the desire on the part of the developers for continued growth led to the formation of a sewage disposal district known as the Central Contra Costa Sanitary District. This district covered, in addition to considerable other area, approxi-

mately 20 per cent of Pleasant Hill.

The whole system was undisturbed, carefully engineered. After the sewer network was installed there was evidence that in some sections the installation was rather hasty and imperfectly inspected. As of the present time, however, the level of service is such that it could well be considered adequate.

The total indebtedness of the sanitary district according to the financial report, 1949-50, County of Contra Costa, is \$2,220,000. This amount can be prorated on an assessed valuation basis, making the Pleasant Hill share approximately \$705,700.

STORM SEWERS — Storm sewer service is rendered by the person, persons or agency charged with the responsibility of maintaining the drains along or under which the drains are installed. There are no hard and fast rules for installation of storm sewers by the county other than in cases of glaring public health pressures. Storm sewer installation can be brought about by the County Supervisor, by the Board of Supervisors, or by an individual or group of individuals upon proper application to the Board of Supervisors. It is axiomatic that the development of new subdivisions becomes necessary. The rapid increase of homes in this area has left the county highway department somewhat behind in the storm sewer phase of construction. On this basis, then, the service can be considered inadequate.

GARBAGE DISPOSAL — Garbage disposal service in the survey area is rendered by the Valley Scavenger Company. The cost per subscriber varies over the range of 75 cents to \$1 for residential collections, with added charges for collections of more than that in the standard size garbage containers. The cost, apparently, is based on the time and work necessary for the pickup. The Valley Scavenger Company also has a rate of \$5 minimum for service to commercial establishments. The level of the service rendered is comparable to that in other areas and as such can be considered adequate.

STREET CLEANING — With the exception of the service previously mentioned in connection with state and county roads, street cleaning, as a special service, does not exist. Street sweepers have been reported in certain new subdivisions. It is the opinion of the Public Works Committee that these workers have been employed by the building contractors concerned, with the thought uppermost in mind of selling real estate and the return of work-completion bonds they have posted.

PUBLIC HEALTH — (County Health Department) All health functions in Contra Costa County are administered by the County Health Department with the exception of the City of Richmond, which has its own health department. Therefore, if Pleasant Hill were to annex or incorporate, as far as the health department goes, there would be no change.

Dr. H. Blum is the County Health Officer and has charge of overall administration of health programs in the county. His duties include public relations, progress planning and cooperation with all other agencies which has anything to do with health. Local, state and federal. There are three assistant health officers, two general and one dental. There are 25 nurses, 12 clerical workers, a health educator, dental hygienist, part-time social worker and an administrative assistant.

FUNCTIONS of the health department include:

1. Vital statistics.
2. Communicable disease control, including diagnosis, regulations for quarantine. The public health nurses visit every communicable disease case.
3. Maternal and child care, including the Well Baby Clinic, pre-natal clinic, school health programs, crippled children's services. All these programs are primarily for those unable to pay for private care.
4. Sanitation, including supervision of general health conditions, especially water and sewage, and food inspection and handling. Yearly inspections are made.
5. Laboratory services at the County Hospital or at the State Laboratory in Berkeley.
6. General disease control and treatment. A field officer traces all cases.
7. Tuberculosis, survey now under way by county-wide chest x-rays. Follow-up services are offered and treatment by the County Hospital with the cooperation of the health department.
8. Chronic disease program now being developed with emphasis on diabetes and heart disease. Tests are being made in conjunction with the chest x-ray survey.
9. Industrial hygiene program in cooperation with industries which may have special health problems.
10. Public health nursing, involving cooperation in all preceding programs. Teaching in the home is emphasized.
11. General health education with the cooperation of civic and professional groups: newspaper publicity, a monthly bulletin issued by the health department sent to doctors, dentists, and any one especially interested in the activities of the health department.

COMMUNICABLE disease statistics are not broken down for the Pleasant Hill area alone. County-wide the general trend follows most other statistics with the usual number of measles, smallpox, chicken pox, polio, etc., cases.

Enforcement of sanitation follows regulations set up by the State Health and Safety Code. There is no overall county sewage plan, and the lack makes for special problems in maintaining health standards. As fore-mentioned yearly inspections are made of places handling food, periodic tests made of water supply, sewage tests made, and yearly inspections of septic tanks.

Costs of county health department

administration are paid out of general tax funds.

HOSPITAL SERVICES available to Pleasant Hill — The County Hospital in Martinez cares for all patients needing hospitalization for communicable diseases, and for indigents only. There are community hospitals in Martinez, Concord, Pittsburg and Antioch. These hospitals have not kept pace with the growth of the county. This is particularly true of the Pleasant Hill area. The Concord Community Hospital served its area well when Concord was a very small community. Now the resources of the hospital are sorely strained. Many residents feel that the best hospital care may be obtained in the larger East Bay hospitals.

The Concord Hospital District bond issue to construct a hospital was defeated in 1949. The doctors of the area proposed a plan on the grounds that such a hospital might be subject to political pressure. At the same time, attempts to raise necessary funds by private subscription failed.

AMBULANCE SERVICE available to Pleasant Hill — There is no county ambulance service. When a county case needs ambulance service, a private ambulance company is paid by the county. Private individuals must hire an ambulance from the Walnut Creek Ambulance Service or from one of several funeral homes, none of which is in this vicinity. The cost varies with the distance involved.

Description of County Planning Commission — The Contra Costa County Planning Commission operates under authority of the State Conservation and Planning Act, which requires all counties in the state to establish a planning commission. The act requires the board of supervisors to establish the commission, and hence it operates directly under the board and under county ordinances.

The scope of activity of the Contra Costa Commission is greater than in any California county except Los Angeles. Other commissions have attempted more ambitious schemes but undertook too much, and political pressure forced them to drop their entire program. A great many people do not appreciate the value of planning, and in Contra Costa County progress has been possible only by concessions to two important groups, agriculture and industry. Thus, using a philosophy of catering to local preference, the Commission and the Board of Supervisors hear requests for deviation from established land-use areas and base their decisions on any protests presented at public hearings.

LEVEL OF SERVICE — It should be emphasized that the nature of proper planning requires that consideration be given not only to an area's needs and conditions but also to adjacent and remote areas and how they will affect the immediate area. The larger an area that can be regulated by one planning authority, presumably the better the overall plan will be. This does not mean, however, that local planning authorities cannot cooperate effectively with those of broader scope.

While all of Contra Costa County is under an interim zoning ordinance, and most of Pleasant Hill is zoned for specific land uses, Pleasant Hill represents a situation on the Board of Supervisors naturally cannot control decisions by the entire Board. Possibly a planning authority controlled by local electorate would be more sensitive to local problems. Representatives of Pleasant Hill groups feel that local control over zoning is desirable and that the county does not act in the best interests and at the will of the majority of Pleasant Hill people.

They point out certain undesirable practices of the Planning Commission: (1) There is no time limit for refiling after a petition for rezoning is denied; (2) there is no substantial fee for filing petitions; this results in constant and continued hearings on the same problem; (3) even though a petition is repeatedly denied and the Commission has heard repeated protests from affected property owners, it is necessary to continue opposition to many rezoning requests, since if there are no protests at any one hearing, the request for rezoning is granted. Such cases have involved requests for "spot" changes from residential to commercial uses.

PLEASANT HILL representatives feel that constant appearances at hearings should not be necessary to maintain the status of the existing zoning regulations. The Pleasant Hill Improvement Association sent representatives to the Planning Commission about two years ago to assist and advise on local preference in the formation of the present zoning maps, and they feel that the wishes of the residents were properly expressed then.

But for the purpose of overall county planning the present level of service must be considered to be of high plane and its scope adequate for its purpose. To reiterate, the scope of the Contra Costa Planning Commission is second only to Los Angeles of all counties in the state.

FUNCTIONS OF THE COUNTY PLANNING COMMISSION —

1. Planning — Zoning of entire county into land use districts. Preparation of long range overall master County Road Map. Commission cooperates with County Surveyor in Road Map studies. Includes study of road width as well as routing.

General Master Airport Plan.

Riding and Hiking Trails.

Approval of subdivision plans; Has control over road width and construction, area drainage, lot sizes and population density, street layout. On subdivision plans the Commission cooperates with school districts, fire districts, sanitary districts, County Health Department, State Highway Department, County Road Department, and FHA.

However, so much time is taken up with land use problems that many planning functions are now being neglected. The Commission hopes to develop these projects in the future to greater extent than at present.

2. Zoning — Aim is to zone entire county for specific land use, but interim or emergency ordinance now covers entire county pending development of workable permanent land use districts. Many zones have already been established.

The Commission checks all requests for building permits for conformance to zoning regulations. It hears requests for deviation from zoning regulations (Land Use Permits).

3. BUILDING INSPECTION — This function is under another department of the county but the Planning Commission is closely related to it. The Building Inspector is the enforcing agency for the Planning Commission in matters of zoning. The department issues building permits for all county buildings (except in areas zoned for industry and agriculture) and enforces building code regulations. This department also makes recommendations on fire zones to which certain building code requirements refer. The Board of Supervisors looks to this department for much of its data before acting on establishment of fire zones.

4. MISCELLANEOUS — The Planning Commission is supported from the general county fund. Current yearly budget, \$90,000. The persons work on the Commission staff. Zoning of Pleasant Hill involved work of four people part time for over a year. Expenses of zoning include publishing of maps to meet legal requirements. Publication cost upwards of \$1000 for Pleasant Hill. Current budget for Building Inspector's Department, \$90,000 per year.

At present the cities of Walnut Creek and Concord employ part time consultants to act as their planners. This is not considered adequate control. In an area as large as Pleasant Hill, a full-time planner with about two assistants would be necessary to initiate a program and put it into effect. Retaining a consultant to work out a master plan to initiate the program would speed the solution of problems, and a small staff could handle the program later.

ASSUMING that an interim ordinance would take effect and a sound program could be launched within a reasonable time after incorporation, it is safe to say that with respect to planning and zoning, property would retain its present relative value. Depending on the wisdom of the planners its value might increase. But without some sort of regulation there inevitably would be considerable devaluation.

The effect of annexation or incorporation would probably be to increase relative values of property in Pleasant Hill. Since Walnut Creek appears to be in a more favorable location than Concord, annexation to Walnut Creek would cause a greater increase in property value than annexation to Concord.
